Ladies and Gentlemen:

Kansas City Power & Light Company, a Missouri corporation (the "**Company**"), proposes to issue and sell to the several underwriters named in Schedule A (the "**Underwriters**"), acting severally and not jointly, the respective amounts set forth in such Schedule A of \$250,000,000 aggregate principal amount of the Company's 5.85% Notes due 2017 (the "**Senior Notes**"). Banc of America Securities LLC and Wachovia Capital Markets, LLC have agreed to act as representatives of the several Underwriters (in such capacity, the "**Representatives**") in connection with the offering and sale of the Senior Notes.

The Senior Notes will be issued pursuant to a senior indenture (the "**Base Indenture**"), dated as of May 1, 2007 between the Company and The Bank of New York Trust Company, N.A. (successor to The Bank of New York) as trustee (the "**Trustee**"). Certain terms of the Senior Notes will be established pursuant to a supplemental indenture (the "**Supplemental Indenture**") in accordance with Article Thirteen of the Base Indenture (together with the Base Indenture, the "**Indenture**"). The Senior Notes will be issued in book-entry form in the name of Cede & Co., as nominee of The Depository Trust Company (the "**Depository**"), pursuant to a Letter of Representations, to be dated on or before the Closing Date (as defined in Section 2(b) below) (the "**DTC Agreement**"), among the Company, the Trustee and the Depository.

The Company has prepared and filed with the Securities and Exchange Commission (the "**Commission**") a registration statement on Form S-3 (File No. 333-108215), to be used in connection with the public offering and sale of debt securities, including the Senior Notes, of the Company. Such registration statement, including the financial statements, exhibits and schedules

thereto, in the form in which it became effective under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the "**Securities Act**"), including any required information deemed to be a part of the registration statement at the time of effectiveness pursuant to Rule 430B under the Securities Act, is called the "**Registration Statement**". The term "**Base Prospectus**" shall mean the base prospectus dated May 30, 2007 relating to the Senior Notes. The term "**Preliminary Prospectus**" shall mean any preliminary prospectus supplement relating to the Senior Notes, together with the Base Prospectus, that is first filed with the Commission pursuant to Rule 424(b). The term "**Prospectus**" shall mean the final prospectus supplement relating to the Senior Notes, together with the Base Prospectus, that is first filed pursuant to Rule 424(b) after the date and time that this Agreement is executed (the "**Execution Time**") and delivered by the parties hereto. Any reference herein to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents that are or are deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act prior to 1:00 p.m. (Eastern time) on May 30, 2007 (the "**Initial Sale Time**"). All references in this Agreement to the Registration Statement, any Preliminary Prospectus, the Prospectus, or any amendments or supplements to any of the foregoing, shall include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System ("**EDGAR**").

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” (or other references of like import) in the Registration Statement, the Prospectus or any Preliminary Prospectus shall be deemed to mean and include all such financial statements and schedules and other information which is or is deemed to be incorporated by reference in the Registration Statement, the Prospectus or any Preliminary Prospectus, as the case may be, prior to the Initial Sale Time; and all references in this Agreement to amendments or supplements to the Registration Statement, the Prospectus or any Preliminary Prospectus shall be deemed to include the filing of any document under the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (collectively, the “Exchange Act”), which is or is deemed to be incorporated by reference in the Registration Statement, the Prospectus or any Preliminary Prospectus, as the case may be, after the Initial Sale Time.

The Company hereby confirms its agreements with the Underwriters as follows:

SECTION 1. Representations and Warranties of the Company.

The Company hereby represents, warrants and covenants to each Underwriter as of the date hereof, as of the Initial Sale Time and as of the Closing Date (as defined herein) (in each case, a “RepresentationDate”), as follows:

a) *Compliance with Registration Requirements.* The Company meets the requirements for use of Form S-3 under the Securities Act. The Registration Statement has become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement has been issued under the Securities Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated or threatened by the Commission, and any request on the part of the Commission

for additional information has been complied with. In addition, the Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended, and the rules and regulations promulgated thereunder (the “Trust Indenture Act”).

At the respective times the Registration Statement and any post-effective amendments thereto became effective and at each Representation Date, the Registration Statement and any amendments thereto (i) complied and will comply in all material respects with the requirements of the Securities Act and the Trust Indenture Act, and (ii) did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. Neither the Prospectus nor any amendments or supplements thereto, at the time the Prospectus or any such amendment or supplement was issued and at the Closing Date, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Notwithstanding the foregoing, the representations and warranties in this subsection shall not apply to (i) that part of the Registration Statement which constitutes the Statement of Eligibility on Form T-1 of the Trustee under the Trust Indenture Act or (ii) statements in or omissions from the Registration Statement or any post-effective amendment or the Prospectus or any amendments or supplements thereto made in reliance upon and in conformity with information furnished to the Company in writing by any of the Underwriters through the Representatives expressly for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 6(b) hereof.

Each Preliminary Prospectus and the Prospectus, at the time each was filed with the Commission, complied in all material respects with the Securities Act, and each Preliminary Prospectus and the Prospectus delivered to the Underwriters for use in connection with the offering of the Senior Notes will, at the time of such delivery, be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

b) *Disclosure Package.* The term “Disclosure Package” shall mean (i) the Preliminary Prospectus dated May 30, 2007, (ii) each issuer free writing prospectus as defined in Rule 433 of the Securities Act, if any, identified in Annex I hereto (each, an “Issuer Free Writing Prospectus”) and (iii) any other free writing prospectus that the parties hereto shall hereafter expressly agree in writing to treat as part of the Disclosure Package. At the Initial Sale Time, the Disclosure Package did not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 6(b) hereof.

d) *Not an Ineligible Issuer.* (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant makes a *bona fide* offer (within the meaning of Rule 164(h)(2) of the Securities Act) of the Senior Notes and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not or is not an Ineligible Issuer (as defined in Rule 405 of the Securities Act), without taking account of any determination by the Commission pursuant to Rule 405 of the Securities Act that it is not necessary that the Company be considered an Ineligible Issuer.

e) *Issuer Free Writing Prospectuses.* Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offering and sale of Senior Notes or until any earlier date that the Company notified or notifies the Representatives as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement, any Preliminary Prospectus or the Prospectus. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, any Preliminary Prospectus or the Prospectus, the Company has promptly notified or will promptly notify the Representatives and has promptly amended or supplemented or will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 6(b) hereof. bb) *Pending Proceedings and Examinations.* The Registration Statement is not the subject of a pending proceeding or examination under Section 8(d) or 8(e) of the Securities Act, and the Company is not the subject of a pending proceeding under Section 8A of the Securities Act in connection with the offering of the Senior Notes.

cc) *Ratings.* The Senior Notes are rated A3 (Stable Outlook) by Moody’s Investors Services and BBB (CreditWatch with Negative Implications) by Standard & Poor’s Ratings Group.

Any certificate signed by any director or officer of the Company and delivered to the Underwriters or to counsel for the Underwriters shall be deemed a representation and warranty by the Company to the Underwriters as to the matters covered thereby on the date of such certificate and, unless subsequently amended or supplemented, at each Representation Date subsequent thereto.

SECTION 2. Purchase, Sale and Delivery of the Senior Notes.

a) *The Senior Notes.* The Company agrees to issue and sell to the several Underwriters, severally and not jointly, all of the Senior Notes upon the terms herein set forth.

9

(MP) 21075/533/UA/ua.doc

On the basis of the representations, warranties and agreements herein contained, and upon the terms but subject to the conditions herein set forth, the Underwriters agree, severally and not jointly, to purchase from the Company the aggregate principal amount of Senior Notes set forth opposite their names on Schedule A, plus any additional principal amount of Senior Notes which such Underwriter may become obligated to purchase pursuant to Section 8 hereof, at a purchase price of 99.182% of the principal amount of the Senior Notes, payable on the Closing Date.

b) *The Closing Date.* Delivery of certificates for the Senior Notes in global form to be purchased by the Underwriters and payment therefor shall be made at the offices of Davis Polk & Wardwell, 1600 El Camino Real, Menlo Park, California (or such other place as may be agreed to by the Company and the Representatives) at 9:00 a.m., New York City time, on June 4, 2007, or such other time and date as the Underwriters and the Company shall mutually agree (the time and date of such closing are called the “**Closing Date**”).

c) *Public Offering of the Senior Notes.* The Representatives hereby advise the Company that the Underwriters intend to offer for sale to the public, as described in the Disclosure Package and the Prospectus, their respective portions of the Senior Notes as soon after this Agreement has been executed as the Representatives, in their sole judgment, have determined is advisable and practicable.

d) *Payment for the Senior Notes.* Payment for the Senior Notes shall be made at the Closing Date by wire transfer of immediately available funds to the order of the Company.

It is understood that the Representatives have been authorized, for their own accounts and for the accounts of the several Underwriters, to accept delivery of and receipt for, and make payment of the purchase price for, the Senior Notes that the Underwriters have agreed to purchase. The Representatives may (but shall not be obligated to) make payment for any Senior Notes to be purchased by any Underwriter whose funds shall not have been received by the Representatives by the Closing Date for the account of such Underwriter, but any such payment shall not relieve such Underwriter from any of its obligations under this Agreement.

e) *Delivery of the Senior Notes.* The Company shall deliver, or cause to be delivered, to the Representatives for the accounts of the several Underwriters through the facilities of the Depository certificates for the Senior Notes at the Closing Date, against the irrevocable release of a wire transfer of immediately available funds for the amount of the purchase price therefor. The certificates for the Senior Notes shall be definitive global certificates in book entry form for clearance through the Depository. Time shall be of the essence, and delivery at the time and place specified in this Agreement is a further condition to the obligations of the Underwriters.

SECTION 3. Covenants of the Company.

The Company covenants and agrees with each Underwriter as follows:

a) *Compliance with Securities Regulations and Commission Requests.* The Company, subject to Section 3(b) hereof, will comply with the requirements of Rule 430B under

the Securities Act, and will promptly notify the Representatives, and confirm the notice in writing, of (i) the effectiveness during the Prospectus Delivery Period (as defined below) of any post-effective amendment to the Registration Statement or the filing of any supplement or amendment to any Preliminary Prospectus or the Prospectus, (ii) the receipt of any comments from the Commission during the Prospectus Delivery Period, (iii) any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to any Preliminary Prospectus or the Prospectus or for additional information, and (iv) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of any Preliminary Prospectus or the Prospectus, or of the suspension of the qualification of the Senior Notes for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes. The Company will promptly effect the filings necessary pursuant to Rule 424 and will take such steps as it deems necessary to ascertain promptly whether any Preliminary Prospectus and the Prospectus transmitted for filing under Rule 424 was received for filing by the Commission and, in the event that it was not, it will promptly file such document. The Company will use every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

b) *Representatives' Review of Proposed Amendments and Supplements.* During the period beginning on the date of this Agreement and ending on the later of the Closing Date or such date, as in the opinion of counsel for the Underwriters, a prospectus relating to the Senior Notes is no longer required by law to be delivered in connection with sales of the Senior Notes by an Underwriter or dealer, including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act (the "**Prospectus Delivery Period**"), prior to amending or supplementing the Registration Statement, the Disclosure Package or the Prospectus (including any amendment or supplement through incorporation by reference of any report filed under the Exchange Act), the Company shall furnish, within a reasonable time prior to filing such amendment or supplement, to the Representatives for review a copy of each such proposed amendment or supplement, and the Company shall not file or use any such proposed amendment or supplement (except for any amendment or supplement filed under the Exchange Act after the Closing Date) to which the Representatives or counsel for the Underwriters shall reasonably object.

c) *Delivery of Registration Statements.* If requested, the Company will furnish or deliver to the Representatives and counsel for the Underwriters, without charge, copies of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein) and copies of all consents and certificates of experts, and will also deliver to the Representatives, without charge, a conformed copy of the Registration Statement as originally filed and of each amendment thereto (without exhibits) for each of the Underwriters. The Registration Statement and each amendment thereto furnished to the Underwriters will be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

d) *Delivery of Prospectuses.* The Company will deliver to each Underwriter, without charge, as many copies of each Preliminary Prospectus as such Underwriter may

11

(MP) 21075/533/UA/ua.doc

reasonably request, and the Company hereby consents to the use of such copies for purposes permitted by the Securities Act. The Company will furnish to each Underwriter, without charge, during the Prospectus Delivery Period, such number of copies of the Prospectus as such Underwriter may reasonably request. Each Preliminary Prospectus and the Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

e) *Continued Compliance with Securities Laws.* The Company will comply with the Securities Act and the Exchange Act so as to permit the completion of the distribution of the Senior Notes as contemplated in this Agreement and the Prospectus. If, at any time during the Prospectus Delivery Period, any event shall occur or condition shall exist as a result of which it is necessary to amend the Registration Statement in order that the Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or to amend or supplement the Disclosure Package or the Prospectus in order that the Disclosure Package or the Prospectus, as the case may be, will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the Initial Sale Time or at the time it is delivered or conveyed to a purchaser, not misleading, or if it shall be necessary at any such time to amend the Registration Statement or amend or supplement the Disclosure Package or the Prospectus in order to comply with the requirements of the Securities Act, the Company will (1) notify the Representatives of any such event, development or condition, (2) promptly prepare and file with the Commission, subject to Section 3(b) hereof, such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement, the Disclosure Package or the Prospectus comply with such requirements, and (3) the Company will furnish to the Underwriters, without charge, such number of copies of such amendment or supplement to the Disclosure Package or the Prospectus as the Underwriters may reasonably request.

f) *Blue Sky Compliance.* The Company shall cooperate with the Representatives and counsel for the Underwriters to qualify or register the Senior Notes for sale under (or obtain exemptions from the application of) the state securities or blue sky laws of those jurisdictions designated by the Representatives, shall comply with such laws and shall continue such qualifications, registrations and exemptions in effect so long as required for the distribution of the Senior Notes. The Company shall not be required to qualify to transact business or to take any action that would subject it to general service of process in any such jurisdiction where it is not presently qualified or where it would be subject to taxation as a foreign business. The Company will advise the Representatives promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Senior Notes for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Company shall use every reasonable effort to obtain the withdrawal thereof at the earliest possible moment.

12

(MP) 21075/533/UA/ua.doc

g) *Use of Proceeds.* The Company shall apply the net proceeds from the sale of the Senior Notes sold by it in the manner described under the caption "Use of Proceeds" in each of the Disclosure Package and the Prospectus.

h) *Depository.* The Company will cooperate with the Underwriters and use every reasonable effort to permit the Senior Notes to be eligible for clearance and settlement through the facilities of the Depository.

i) *Periodic Reporting Obligations.* During the Prospectus Delivery Period and subject to Section 3(b) hereof, the Company shall file, on a timely basis, with the Commission all reports and documents required to be filed under the Exchange Act.

j) *Agreement Not to Offer or Sell Additional Securities.* During the period commencing on the date hereof and ending on the Closing Date, the Company will not, without the prior written consent of the Representatives (which consent may be withheld at the sole discretion of the Representatives), directly or indirectly, sell, offer, contract or grant any option to sell, transfer or establish an open "put equivalent position" within the meaning of Rule 16a-1(h) under the Exchange Act, or otherwise dispose of or transfer, or announce the offering of, or file any registration statement under the Securities Act in respect of, any debt securities of the Company similar to the Senior Notes or securities exchangeable for or convertible into debt securities similar to the Senior Notes (other than as contemplated by this Agreement with respect to the Senior Notes).

k) *Final Term Sheet.* The Company will prepare a final term sheet containing only a description of the Senior Notes, in substantially the form attached hereto as Exhibit B, and will file such term sheet pursuant to Rule 433(d) under the Securities Act within the time required by such rule (such term sheet, the "**Final Term Sheet**"). The Final Term Sheet is an Issuer Free Writing Prospectus for purposes of this Agreement.

l) *Permitted Free Writing Prospectuses.* The Company represents that it has not made, and agrees that, unless it obtains the prior written consent of the Representatives, and each Underwriter, severally and not jointly, represents that it has not made, and agrees with the Company that, unless it obtains the prior written consent of the Company, it will not make, any offer relating to the Senior Notes that would constitute an "issuer free writing prospectus" or that would otherwise constitute a "free writing prospectus" (as those terms are defined in Rule 405 of the Securities Act) required to be filed by the Company with the Commission or retained by the Company under Rule 433 of the Securities Act; provided that the prior written consent of the Representatives shall be deemed to have been given in respect of the Issuer Free Writing Prospectuses included in Annex I hereto. Any such free writing prospectus consented to by the Representatives is hereinafter referred to as a "**Permitted Free Writing Prospectus**". The Company agrees that (i) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, and (ii) has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Securities Act applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

13

(MP) 21075/533/UA/ua.doc

m) *Filing Fees.* The Company agrees to pay the required Commission filing fees relating to the Senior Notes within the time required by Rule 456(b)(1) of the Securities Act without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) of the Securities Act.

n) *No Manipulation of Price.* The Company will not take, directly or indirectly, any action designed to cause or result in, or that has constituted or might reasonably be expected to constitute, under the Exchange Act or otherwise, the stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Senior Notes.

o) *Earning Statement.* The Company will make generally available to the Company's security holders and to the Representatives as soon as practicable an earning statement covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the date of this Agreement that will satisfy the provisions of Section 11(a) of the Securities Act.

The Representatives, on behalf of the several Underwriters, may, in their sole discretion, waive in writing the performance by the Company of any one or more of the foregoing covenants or extend the time for their performance.

SECTION 4. Payment of Expenses. The Company agrees to pay all costs, fees and expenses incurred in connection with the performance of its obligations hereunder and in connection with the transactions contemplated hereby, including without limitation (i) all expenses incident to the issuance and delivery of the Senior Notes (including all printing and engraving costs), (ii) all necessary issue, transfer and other stamp taxes in connection with the issuance and sale of the Senior Notes to the Underwriters, (iii) all fees and expenses of the Company's counsel, independent public or certified public accountants and other advisors to the Company, (iv) all costs and expenses incurred in connection with the preparation, printing, filing, shipping and distribution of the Registration Statement (including financial statements, exhibits, schedules, consents and certificates of experts), each Issuer Free Writing Prospectus, each Preliminary Prospectus and the Prospectus, and all amendments and supplements thereto, and this Agreement, the Indenture, the DTC Agreement and the Senior Notes, (v) all filing fees, reasonable attorneys' fees and expenses incurred by the Company or the Underwriters in connection with qualifying or registering (or obtaining exemptions from the qualification or registration of) all or any part of the Senior Notes for offer and sale under the state securities or blue sky laws, and, if requested by the Representatives, preparing a "Blue Sky Survey" or memorandum, and any supplements thereto, advising the Underwriters of such qualifications, registrations and exemptions, (vi) the filing fees incident to, and the reasonable fees and disbursements of counsel to the Underwriters in connection with, the review, if any, by the NASD of the terms of the sale of the Senior Notes, (vii) the fees and expenses of the Trustee, including the reasonable fees and disbursements of counsel for the Trustee in connection with the Indenture and the Senior Notes, (viii) any fees payable in connection with the rating of the Senior Notes with the ratings agencies, (ix) all fees and expenses (including reasonable fees and expenses of counsel) of the Company in connection with approval of the Senior Notes by the Depository for "book-entry" transfer, (x) all other fees, costs and expenses referred to in Item 14 of Part II of the Registration Statement, (xi) all reasonable out-of-pocket expenses by the

The obligations of the several Underwriters to purchase and pay for the Senior Notes as provided herein on the Closing Date shall be subject to the accuracy of the representations and warranties on the part of the Company set forth in Section 1 hereof as of each Representation Date as though then made and to the timely performance by the Company of its covenants and other obligations hereunder, and to each of the following additional conditions:

a) *Effectiveness of Registration Statement.* The Registration Statement shall remain effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement shall have been issued under the Securities Act and no proceedings for that purpose shall have been instituted or be pending or threatened by the Commission, any request on the part of the Commission for additional information shall have been complied with to the reasonable satisfaction of counsel to the Underwriters.

e) *No Material Adverse Change or Ratings Agency Change.* For the period from the Execution Time to the Closing Date:

(i) there shall not have occurred any Material Adverse Change, except as reflected in or contemplated by the Disclosure Package; and

(ii) there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded any securities of the Company or any of the Subsidiaries by any "nationally recognized statistical rating organization" as such term is defined for purposes of Rule 436(g)(2) under the Securities Act.

f) *Opinion of Counsel for the Company.* On the Closing Date, the Representatives shall have received the favorable opinions of (i) Sidley Austin LLP, counsel for the Company, dated as of such Closing Date, the form of which is attached as Exhibit A-1, and (ii) Mark English, the General Counsel of the Parent, dated as of such Closing Date, the form of which is attached as Exhibit A-2.

(iii) for the period from the Execution Time to the Closing Date, there has not occurred any Material Adverse Change;

(iv) the representations, warranties and covenants of the Company set forth in Section 1 of this Agreement are true and correct with the same force and effect as though expressly made on and as of such Closing Date; and

(v) the Company has complied with all the agreements hereunder and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to such Closing Date.

i) *Additional Documents.* On or before the Closing Date, the Representatives and counsel for the Underwriters shall have received such information, documents and opinions as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Senior Notes as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

If any condition specified in this Section 5 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representatives by notice to the Company at any time on or prior to the Closing Date, which termination shall be without liability on the part of any party to any other party, except that Section 4, Section 6, Section 7 and Section 15 hereof shall at all times be effective and shall survive such termination.

Section 6. Indemnification.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its directors, officers, employees and agents, and each person, if any, who controls any Underwriter within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which such Underwriter, director, officer, employee, agent or controlling person may become subject, insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment or supplement thereto, including any information deemed to be a part thereof pursuant to Rule 430B under the Securities Act, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading; or (ii) any untrue statement or alleged untrue statement of a material fact included in any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse each Underwriter, its officers, directors, employees, agents and controlling persons for any and all expenses (including the reasonable fees and disbursements of counsel chosen by the Representatives) as such expenses are reasonably incurred by such Underwriter, officer, director, employee, agent or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided,

17

(MP) 21075/533/UA/ua.doc

however, that the foregoing indemnity agreement shall not apply to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use in the Registration Statement, any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto). The indemnity agreement set forth in this Section 6(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) *Indemnification of the Company, its Directors and Officers.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company, or any such director, officer or controlling person may become subject, insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment or supplement thereto, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading; or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, and only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, such Preliminary Prospectus, such Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use therein; and to reimburse the Company, such director, officer or controlling person for any and all expenses (including the reasonable fees and disbursements of counsel chosen by the Company) as such expenses are reasonably incurred by the Company, such director, officer or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. The Company hereby acknowledges that the only information that the Underwriters have furnished to the Company expressly for use in the Registration Statement, any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto) are the statements set forth in the third paragraph and seventh paragraph under the caption "Underwriting" in the Prospectus. The indemnity agreement set forth in this Section 6(b) shall be in addition to any liabilities that each Underwriter may otherwise have.

(c) *Notifications and Other Indemnification Procedures.* Promptly after receipt by an indemnified party under this Section 6 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 6, notify the indemnifying party in writing of the commencement thereof; but the failure to so notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure

18

(MP) 21075/533/UA/ua.doc

results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any liability other than the indemnification obligation provided in paragraph (a) or (b) above. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in, and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party; provided, however, such indemnified party shall have the right to employ its own counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such indemnified party, unless: (i) the employment of such counsel has been specifically authorized by the indemnifying party; (ii) the indemnifying party has failed promptly to assume the defense and employ counsel reasonably satisfactory to the indemnified party; or (iii) the named parties to any such action (including any impleaded parties) include both such indemnified party and the indemnifying party or any affiliate of the indemnifying party, and such indemnified party shall have reasonably concluded that either (x) there may be one or more legal defenses available to it which are different from or additional to those available to the indemnifying party or such affiliate of the indemnifying party or (y) a conflict may exist between such indemnified party and the indemnifying party or such affiliate of the indemnifying party (it being understood, however, that the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable

for the fees and expenses of more than one separate firm of attorneys (in addition to a single firm of local counsel) for all such indemnified parties, which firm shall be designated in writing by (i) the Representatives, in the case of indemnification pursuant to Section 6(a) hereof, or (ii) the Company, in the case of indemnification pursuant to Section 6(b) hereof, and that all such reasonable fees and expenses shall be reimbursed as they are incurred).

(d) Settlements. The indemnifying party under this Section 6 shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there is a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by Section 6(c) hereof, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such

(MP) 21075/533/UA/ua.doc

19

action, suit or proceeding and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

Section 7. Contribution. If the indemnification provided for in Section 6 hereof is for any reason unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Senior Notes pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Senior Notes pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Senior Notes pursuant to this Agreement (before deducting expenses) received by the Company, and the total underwriting discount received by the Underwriters, in each case as set forth on the front cover page of the Prospectus bear to the aggregate initial public offering price of the Senior Notes as set forth on such cover. The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Underwriters, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 6(c) hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 6(c) hereof with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 7; provided, however, that no additional notice shall be required with respect to any action for which notice has been given under Section 6(c) hereof for purposes of indemnification.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 7.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the underwriting discount received by such Underwriter in connection with the Senior Notes underwritten by it and distributed to the public. No person

20

guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 7 are several, and not joint, in proportion to their respective underwriting commitments as set forth opposite their names in Schedule A. For purposes of this Section 7, each director, officer, employee and agent of an Underwriter and each person, if any, who controls an Underwriter within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement and each person, if any, who controls the Company within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company.

Section 8. Default of One or More of the Several Underwriters. If, on the Closing Date, any one or more of the several Underwriters shall fail or refuse to purchase Senior Notes that it or they have agreed to purchase hereunder on such date, and the aggregate principal amount of Senior Notes, which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase does not exceed 10% of the aggregate principal amount of the Senior Notes, to be purchased on such date, the other Underwriters shall be obligated, severally, in the proportion to the aggregate principal amounts of such Senior Notes set forth opposite their respective names on Schedule A bears to the aggregate principal amount of such Senior Notes set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as may be specified by the Representatives with the consent of the non-defaulting Underwriters, to purchase such Senior Notes which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date. If, on the Closing Date, any one or more of the Underwriters shall fail or refuse to purchase such Senior Notes and the aggregate principal amount of such Senior Notes with respect to which such default occurs exceeds 10% of the aggregate principal amount of Senior Notes to be purchased on such date, and arrangements satisfactory to the Representatives and the Company for the purchase of such Senior Notes are not made within 48 hours after such default, this Agreement shall terminate without liability of any party to any other party except that the provisions of Section 4, Section 6, Section 7 and Section 15 hereof shall at all times be effective and shall survive such termination. In any such case, either the Representatives or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days in order that the required changes, if any, to the Registration Statement, each Issuer Free Writing Prospectus, each Preliminary Prospectus or the Prospectus or any other documents or arrangements may be effected.

As used in this Agreement, the term "Underwriter" shall be deemed to include any person substituted for a defaulting Underwriter under this Section 8. Any action taken under this Section 8 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

Section 9. Termination of this Agreement. Prior to the Closing Date, this Agreement may be terminated by the Representatives by notice given to the Company if at any time (i) trading or quotation in any of the Company's securities shall have been suspended or materially limited by the Commission, or trading in securities generally on the NASDAQ Global Market or the New York Stock Exchange shall have been suspended or materially limited, or minimum or

(MP) 21075/533/UA/ua.doc

maximum prices shall have been generally established on either of such stock exchanges by the Commission or the NASD; (ii) a general banking moratorium shall have been declared by any of federal or New York authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any material adverse change in the United States or international financial markets, or any change or development involving a prospective substantial change in United States' or international political, financial or economic conditions, as in the judgment of the Representatives makes it impracticable or inadvisable to market the Senior Notes in the manner and on the terms described in the Disclosure Package or the Prospectus or to enforce contracts for the sale of securities; (iv) there shall have occurred any Material Adverse Change; or (v) there shall have occurred a material disruption in commercial banking or securities settlement or clearance services in the United States. Any termination pursuant to this Section 9 shall be without liability on the part of (a) the Company to any Underwriter, except that the Company shall be obligated to reimburse the expenses of the Representatives and the Underwriters pursuant to Section 4 hereof, (b) any Underwriter to the Company, or (c) any party hereto to any other party except that the provisions of Section 6, Section 7 and Section 15 hereof shall at all times be effective and shall survive such termination.

Section 10. No Fiduciary Duty. No Advisory or Fiduciary Responsibility. The Company acknowledges and agrees that: (i) the purchase and sale of the Senior Notes pursuant to this Agreement, including the determination of the public offering price of the Senior Notes and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand; (ii) in connection with the offering contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company or its affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the several Underwriters with respect to any breach or alleged breach of agency or fiduciary duty.

SECTION 11. Representations and Indemnities to Survive Delivery. The respective indemnities, agreements, representations, warranties and other statements of the Company, of its officers and of the several Underwriters set forth in or made pursuant to this Agreement (i) will remain operative and in full force and effect, regardless of (A) any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, the officers or employees of any Underwriter, or any person controlling the Underwriter, or the Company, the officers or

22

(MP) 21075/533/UA/ua.doc

employees of the Company, or any person controlling the Company, as the case may be or (B) acceptance of the Senior Notes and payment for them hereunder and (ii) will survive delivery of and payment for the Senior Notes sold hereunder and any termination of this Agreement.

Re: Kansas City Power & Light Company
 [●]% Notes due 2017

Ladies and Gentlemen:

As special counsel for Kansas City Power & Light Company, a Missouri corporation (the "Company"), we address this letter to you individually and as the representatives of the several Underwriters (the "Underwriters") named in Schedule A to the Underwriting Agreement dated May 30, 2007 (the "Underwriting Agreement") between you, as representatives of the Underwriters, and the Company, with respect to the issuance and sale pursuant thereto of \$250,000,000 aggregate principal amount of the Company's [●]% Notes due 2017 (the "Senior Notes"). The Senior Notes are being issued under a senior indenture dated as of May 1, 2007 (the "Indenture") between the Company and The Bank of New York Trust Company, N.A., as trustee (the "Trustee"), as supplemented by Supplemental Indenture No. 1 dated as of June 4, 2007 between the Company and the Trustee (the "Supplemental Indenture").

The Company filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"):

(i) on August 26, 2003, a Registration Statement on Form S-3 (Registration No. 333-108215), and on August 29, 2003, Amendment No. 1 thereto, which registration statement, as so amended, became effective on September 4, 2003; as used in this letter, the term "Registration Statement" shall mean, as of any time referred to herein, such registration

A-1-1

statement, as amended at such time, including all exhibits thereto (but excluding Form T-1) and the documents incorporated or deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act and any prospectus supplement relating to the Senior Notes that was filed with the Commission and deemed to be part of and included in the Registration Statement pursuant to Rule 430B(f)(1) under the Securities Act;

(ii) on May 30, 2007, pursuant to Rule 424(b) under the Securities Act ("Rule 424(b)"), the Company's preliminary prospectus supplement dated May 30, 2007 (the "Preliminary Prospectus Supplement") specifically relating to the Senior Notes and the prospectus dated May 30, 2007 relating to the Company's debt securities included in the Registration Statement (including the documents incorporated or deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act, the "Base Prospectus"); as used in this letter, the term "Preliminary Prospectus" shall mean the Preliminary Prospectus Supplement together with the Base Prospectus;

(iii) on May 30, 2007, pursuant to Rule 433 under the Securities Act ("Rule 433"), a final term sheet, dated May 30, 2007 (the "Final Term Sheet"), relating to the Senior Notes; and

(iv) on May [●], 2007, pursuant to Rule 424(b), the Company's prospectus supplement dated May 30, 2007 (the "Prospectus Supplement") specifically relating to the Senior Notes and the Base Prospectus; as used in this letter, the term "Prospectus" shall mean the Prospectus Supplement together with the Base Prospectus.

As used in this letter, the term "Initial Sale Time" means [-] [p.m.] (Eastern time) on May 30, 2007.

Pursuant to the requirement of Section 5(f)(i) of the Underwriting Agreement, this will advise you that in the opinion of the undersigned:

1. The Registration Statement has become effective under the Securities Act; each of the Preliminary Prospectus and the Prospectus has been filed pursuant to Rule 424(b) in accordance with Rule 424(b); the Final Term Sheet **[and each other Issuer Free Writing Prospectus required to be filed with the Commission]**¹ has been filed pursuant to Rule 433 in accordance with Rule 433; and, to our knowledge, no stop order suspending the effectiveness of the Registration Statement is in effect nor are any proceedings for such purpose pending before or threatened by the Commission.

2. The Registration Statement (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom and other than the documents incorporated by reference therein, as to none of which we express any opinion pursuant to this paragraph 2), as of the "new effective date" (as defined herein), the Preliminary Prospectus (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom and other than the documents incorporated by

1. ¹ If any, to be specifically referenced.

A-1-2

(MP) 21075/533/UA/ua.doc

reference therein, as to none of which we express any opinion pursuant to this paragraph 2), at the Initial Sale Time, and the Prospectus (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom and other than the documents incorporated by reference therein, as to none of which we express any opinion pursuant to this paragraph 2), as of the date of the Prospectus Supplement and as of the date hereof, each complied as to form in all material respects with the requirements of the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), the Securities Act and the rules and regulations of the Commission promulgated thereunder.

3. The documents incorporated by reference in the Preliminary Prospectus and the Prospectus (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom, as to which we express no opinion), at the respective times such documents were filed with the Commission, complied as to form in all material respects with the applicable requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the Commission promulgated thereunder.

4. The Indenture has been duly qualified under the Trust Indenture Act and constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except to the extent enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws of general applicability relating to or affecting the enforcement of creditors' rights and by the effect of general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

5. The execution, delivery and performance by the Company of this Agreement, the Indenture and the Senior Notes and the consummation by the Company of the transactions contemplated thereby (including the issuance and sale of the Senior Notes and the use of the proceeds from the sale of the Senior Notes as described in the Disclosure Package and the Prospectus under the caption "Use Of Proceeds") and compliance by the Company with its obligations under this Agreement, the Indenture and the Senior Notes do not and will not violate any provision of New York law that, in our experience and without independent investigation, is normally applicable to transactions of the type contemplated by this Agreement and the Indenture (provided no opinion is expressed with respect to state securities or blue sky laws).

6. The Senior Notes, when duly authorized and executed by the Company, authenticated by the Trustee in accordance with the terms of the Indenture and delivered against payment therefor pursuant to the terms of the Underwriting Agreement, will constitute a legal, valid and binding obligation of the Company, entitled to the benefits of the Indenture and enforceable against the Company in accordance with the terms of the Senior Notes, except to the extent enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws of general applicability relating to or affecting the enforcement of creditors' rights and by the effect of general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

7. To our knowledge, no consent, approval, authorization or order of, or registration or filing with, any court or other governmental or regulatory authority or agency is required

A-1-3

(MP) 21075/533/UA/ua.doc

under Applicable Laws for the execution and delivery by the Company of, or the performance of the Company's obligations under, the Underwriting Agreement, the Indenture or the Supplemental Indenture, or for the issue and sale of the Senior Notes. As used in this paragraph 7, the term "Applicable Laws" means the laws of the State of New York and the federal laws of the United States of America which, in our experience and without independent investigation, are normally applicable to transactions of the type contemplated by the Underwriting Agreement, the Indenture, the Supplemental Indenture (provided that the term "Applicable Laws" shall not include federal or state securities or blue sky laws, including, without limitation, the Securities Act, the Exchange Act, the Trust Indenture Act and the Investment Company Act of 1940, as amended (the "Investment Company Act"), and the respective rules and regulations thereunder).

8. The statements set forth in the Disclosure Package and the Prospectus under the headings "Description of the Notes" (insofar as such statements purport to summarize certain provisions of the Senior Notes, the Indenture and the Supplemental Indenture) fairly summarize in all material respects the matters therein described.

9. The Company is not, and after receipt of payment for the Senior Notes and application of the proceeds as described in the Prospectus, will not be, required to register as an "investment company" within the meaning of the Investment Company Act.

In acting as special counsel for the Company in connection with the transactions described in the first paragraph above, we have participated in conferences with officers and other representatives of the Company, including its independent registered public accountants and representatives of the Underwriters and representatives of counsel for the Underwriters, at which conferences the contents of the Disclosure Package (as such term is defined in Annex A hereto), the Prospectus and the Registration Statement and related matters were discussed. We have not participated in the preparation of the documents incorporated by reference in the Registration Statement, the Disclosure Package or the Prospectus, however, we have reviewed such documents. Except as stated in numbered paragraph 8 above, we have not independently checked the accuracy or completeness of, or otherwise verified, and accordingly are not passing upon, and do not assume responsibility for, the accuracy, completeness or fairness of statements contained in the Registration Statement, the Disclosure Package or the Prospectus. However, as a result of such consideration and participation, no facts have come to our attention that have caused us to believe that:

(a) the Registration Statement, as of each "new effective date" with respect to the Senior Notes pursuant to, and within the meaning of, Rule 430B(f)(2) under the Securities Act, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading;

(b) the Disclosure Package, at the Initial Sale Time, included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; or

A-1-4

(MP) 21075/533/UA/ua.doc

(c) the Prospectus, as of the date of the Prospectus Supplement and on the date hereof, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

except in each case we express no belief, and make no statement with respect to, the financial statements, financial data, statistical data and supporting schedules included or incorporated or deemed to be incorporated by reference therein or omitted therefrom.

Insofar as the opinions and statements set forth in numbered paragraph 2 and paragraph (a) above address the Registration Statement at a "new effective date" with respect to the Senior Notes:

(i) we have been informed by you, as the representative of the Underwriters, that the date of first use of the Preliminary Prospectus was May 30, 2007 and that we may assume that such use occurred prior to the date and time of the first contract of sale of the Senior Notes for the purposes of Rule 430B(f)(1) under the Securities Act; and, therefore, we assume that a "new effective date" was May 30, 2007, and we have assumed, with your permission and without independent investigation or verification, the accuracy of such information; and

(ii) we have been informed by you, as the representative of the Underwriters, that the Initial Sale Time was immediately prior to the earlier of the date that the Prospectus was first used or the date and time of the first contract of sale of the Senior Notes for the purposes of Rule 430B(f)(1) under the Securities Act; and, therefore, we assume that a "new effective date" was the Initial Sale Time, and we have assumed, with your permission and without independent investigation or verification, the accuracy of such information.

For the purpose of rendering the foregoing opinions and making the foregoing statements, we have relied to the extent we have deemed appropriate, as to various questions of fact material to such opinions and statements, upon the representations made by the Company in the Underwriting Agreement and upon certificates of officers of the Company. We also have

examined originals, or copies of originals certified to our satisfaction, of such agreements, documents, certificates and other statements of governmental officials and other instruments, have examined such questions of law and have satisfied ourselves as to such matters of fact as we have considered relevant and necessary as a basis for this letter. We have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to us as originals and the conformity with the original documents of all documents submitted to us as certified or photostatic copies or by facsimile or other means of electronic transmission or which we obtained from the Commission's Electronic Data Gathering, Analysis and Retrieval System ("EDGAR"). In rendering our opinion set forth in numbered paragraph 1 above with respect to the effectiveness of the Registration Statement and the absence of stop orders or proceedings, we have relied solely upon the oral advice of the staff of the Commission via a telephonic call on the date hereof. In rendering our opinion set forth in numbered paragraph 1 above with respect to the filing of the Preliminary Prospectus, the Final Term Sheet and the Prospectus, we have relied solely upon our review of the EDGAR website of the Commission. With respect to any instrument or agreement executed or to be executed by any party, we have assumed, to the extent relevant to the opinions set forth herein, that (i) such party

A-1-5

(MP) 21075/533/UA/ua.doc

(if not a natural person) has been duly organized and is validly existing and in good standing under the laws of its jurisdiction of organization and (ii) such party has or had full right, power and authority to execute, deliver and perform its obligations under each instrument or agreement to which it is a party and each such instrument or agreement has been duly authorized (if applicable), executed and delivered by, and, with respect to any party other than the Company, is a valid, binding and enforceable agreement or obligation, as the case may be, of, such party.

In rendering our opinion set forth in numbered paragraph 9 above, we have relied exclusively, as to all factual matters, on the certificate, dated as of the date of this letter, of Terry Bassham, Chief Financial Officer of the Company.

Any opinion or statement herein which is expressed to be "to our knowledge" or is otherwise qualified by words of like import means that the lawyers currently practicing law with the Firm who have had active involvement in representing the Company have no current conscious awareness of any facts or information contrary to such opinion or statement. Except to the extent expressly set forth in this letter, we have not undertaken any independent investigation to determine the existence or absence of any fact, and no inference as to our knowledge of the existence or absence of any fact should be drawn from our representation of the Company or the rendering of this letter.

This letter is limited to the federal laws of the United States of America and the laws of the State of New York. We express no opinion as to matters relating to securities or blue sky laws of any jurisdiction or any rules or regulations thereunder (other than federal securities laws). This letter is based on the law in effect, and the facts and circumstances existing, on the date of this letter. We assume no obligation to update or supplement this letter to reflect any facts or circumstances which may hereafter come to our attention with respect to the opinions and statements expressed above, including any changes in applicable law which may hereafter occur.

This letter is being rendered and delivered solely to and for the benefit of the persons to whom it is addressed; accordingly, it may not be delivered to or relied upon by any other person (including, without limitation, any person who acquires the Senior Notes from or through the Underwriters), quoted or filed with any governmental authority or other regulatory agency or otherwise circulated or utilized for any other purpose without our prior written consent.

Very truly yours,

- f) No approval, authorization, consent, certificate or order of any state or federal commission or regulatory authority (other than (i) as may be required under securities or blue sky laws of the various states, as to which such counsel need express no opinion, and (ii) as may have already been obtained or made and shall be in full force and effect on the date hereof) is necessary with respect to the issue and sale of the Senior Notes as contemplated in this Agreement and the Indenture.
- g) The Company and the Subsidiaries hold, to the extent required, valid and subsisting franchises, licenses and permits authorizing them to carry on the regulated utility businesses in which they are engaged, in the territories from which substantially all of the Company's consolidated gross operating revenue is derived, except where the failure to hold such franchises, licenses and permits would not reasonably be expected to result in a Material Adverse Change.

- h) To the best of such counsel's knowledge, there are no legal or governmental proceedings pending or threatened which are required to be disclosed in the Disclosure Package and the Prospectus, other than those disclosed therein, and all pending legal or governmental proceedings to which the Company or any of its subsidiaries is a party or of which any of their property is the subject which are not described in the Disclosure Package and the Prospectus, including ordinary routine litigation incidental to the business of the Company, are, considered in the aggregate, not material to the consolidated financial condition of the Company and its subsidiaries, taken as a whole.

- k) To the best of such counsel's knowledge, there are no contracts, indentures, mortgages, loan agreements, notes, leases or other instruments or documents required to be described or referred to in the Disclosure Package or the Prospectus or to be filed as exhibits to the Registration Statement other than those described or referred to therein or filed or incorporated by reference as exhibits to the Registration Statement, the descriptions thereof or references thereto are correct in all material respects, and no default exists in the due performance or observance of any material obligation, agreement, covenant or condition contained in any Agreement or Instrument described, referred to, filed or incorporated by reference therein.

In rendering such opinion, such counsel may state that he expresses no opinion as to the laws of any jurisdiction other than the laws of the States of Missouri and Kansas and the federal laws of the United States of America. Such opinion shall not state that it is to be governed or qualified by, or that it is otherwise subject to, any treatise, written policy or other document relating to legal opinions, including, without limitation, the Legal Opinion Accord of the ABA Section of Business Law (1991).

Such Company Order shall specify the following with respect to each series of Notes: (i) the title of the Notes of such series (which shall distinguish the Notes of such series from Notes of all other series) and any limitations on the aggregate principal amount of the Notes to be issued as part of such series, (ii) the Original Issue Date for such series, (iii) the Stated Maturity of Notes of such series, (iv) the interest rate or rates, or method of calculation of such rate or rates, for such

7

With respect to Notes of a series subject to a Periodic Offering, such Company Order may provide general terms or parameters for Notes of such series and provide either that the specific terms of particular Notes of such series shall be specified in a further Company Order or that such terms shall be determined by the Company or its agents in accordance with such further Company Order as contemplated by the proviso of the first sentence of this Section 2.05(c). Prior to authenticating Notes of any series, and in accepting the additional responsibilities under this Indenture in relation to such Notes, the Trustee shall receive from the Company the following at or before the issuance of such series of Notes, and (subject to Section 9.01 hereof) shall be fully protected in relying upon, unless and until such documents have been superseded or revoked prior to such issuance:

(1) A Board Resolution authorizing such Company Order or Orders and, if the form of Notes is established by a Board Resolution or a Company Order pursuant to a Board Resolution, a copy of such Board Resolution;

(2) At the option of the Company, either an Opinion of Counsel or a letter addressed to the Trustee permitting it to rely on an Opinion of Counsel, stating substantially the following subject to customary qualifications and exceptions:

(A) if the form of such Notes has been established by or pursuant to a Board Resolution, a Company Order pursuant to a Board Resolution, or

8

in a supplemental indenture as permitted by Section 2.01 hereof, that such form has been established in conformity with this Indenture;

(B) that this Indenture has been duly authorized, executed and delivered by the Company and constitutes a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding at law or in equity) and by an implied covenant of reasonableness, good faith and fair dealing;

(C) that this Indenture is qualified to the extent necessary under the TIA or, if not so required, that this Indenture is not required to be qualified under the TIA;

(D) that such Notes have been duly authorized and executed by the Company, and when authenticated by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms, except as may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding at law or in equity) and by an implied covenant of reasonableness, good faith and fair dealing;

(E) that the issuance of such Notes will not result in any default under this Indenture;

(F) that all consents or approvals of the Commission (or any successor agency) under the Public Utility Holding Company Act of 1935 and of any other federal or state regulatory agency required in connection with the Company's execution and delivery of this Indenture and such Notes have been obtained and are in full force and effect (except that no statement need be made with respect to state securities laws); and

(G) that all conditions that must be met by the Company to issue Notes under this Indenture have been met.

(3) An Officers' Certificate stating that (i) the Company is not, and upon the authentication by the Trustee of such Notes, will not be in default under any of the terms or covenants contained in this Indenture and (ii) all conditions that must be met by the Company to issue Notes under this Indenture have been met.

(d) No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee by the manual signature of an authorized officer, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture.

9

The Trustee shall have the right to decline to authenticate and deliver any Notes under this Section if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith shall determine that such actions would expose the Trustee to personal liability to existing Holders.

(e) If all Notes of a series are not to be authenticated and issued at one time in connection with a Periodic Offering, the Company shall not be required to deliver the Company Order, Board Resolution, Officers' Certificate and Opinion of Counsel (including any of the foregoing that would be otherwise required pursuant to Section 15.05 hereof) described in Section 2.05(c) hereof at or prior to the authentication of each Note of such series, if such items are delivered at or prior to the time of authentication of the first Note of such series to be authenticated and issued.

Section 2.06 EXCHANGE AND REGISTRATION OF TRANSFER OF NOTES.

(a) Subject to Section 2.13 hereof, Notes of any series may be exchanged for one or more new Notes of the same series of any authorized denominations and of a like aggregate principal amount, series and Stated Maturity and having the same terms and Original Issue Date. Notes to be exchanged shall be surrendered at any of the offices or agencies to be maintained pursuant to Section 6.02 hereof, and the Trustee shall authenticate and deliver in exchange therefor the Note or Notes of such series which the Noteholder making the exchange shall be entitled to receive.

(b) The Trustee shall keep, at one of said offices or agencies, a register or registers in which, subject to such reasonable regulations as it may prescribe, the Trustee shall register or cause to be registered Notes and shall register or cause to be registered the transfer of Notes as in this Article II provided. Such register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times, such register shall be open for inspection by the Company. Upon due presentation for registration of transfer of any Note at any such office or agency, the Company shall execute and the Trustee shall register, authenticate and deliver in the name of the transferee or transferees one or more new Notes of any authorized denominations and of a like aggregate principal amount, series and Stated Maturity and having the same terms and Original Issue Date.

(c) All Notes presented for registration of transfer or for exchange, redemption or payment shall be duly endorsed by, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee and duly executed by the Holder or the attorney in fact of such Holder duly authorized in writing.

(d) No service charge shall be made for any exchange or registration of transfer of Notes, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith.

(e) The Trustee shall not be required to exchange or register the transfer of any Notes selected, called or being called for redemption (including Notes, if any, redeemable at the option of the Holder provided such Notes are then redeemable at such Holder's option) except, in the case of any Note to be redeemed in part, the portion thereof not to be so redeemed.

(f) If the principal amount, and applicable premium, of part, but not all of a Global Note is paid, then upon surrender to the Trustee of such Global Note, the Company shall

10

execute, and the Trustee shall authenticate, deliver and register, a Global Note in an authorized denomination in aggregate principal amount equal to, and having the same terms, Original Issue Date and series as, the unpaid portion of such Global Note.

Section 2.07 MUTILATED, DESTROYED, LOST OR STOLEN NOTES.

(a) If any temporary or definitive Note shall become mutilated or be destroyed, lost or stolen, the Company shall execute, and upon its written request the Trustee shall authenticate and deliver, a new Note of like form and principal amount and having the same terms and Original Issue Date and bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. In every case the applicant for a substituted Note shall furnish to the Company, the Trustee and any paying agent or Authenticating Agent such security or indemnity as may be required by them to save each of them harmless, and, in every case of destruction, loss or theft of a Note, the applicant shall also furnish to the Company and to the Trustee evidence to their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

(b) The Trustee shall authenticate any such substituted Note and deliver the same upon the written request or authorization of any officer of the Company. Upon the issuance of any substituted Note, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any Note which has matured, is about to mature, has been redeemed or called for redemption shall become mutilated or be destroyed, lost or stolen, the Company may, instead of issuing a substituted Note, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Note) if the applicant for such payment shall furnish to the Company, the Trustee and any paying agent or Authenticating Agent such security or indemnity as may be required by them to save each of them harmless and, in case of destruction, loss or theft, evidence satisfactory to the Company and the Trustee of the destruction, loss or theft of such Note and of the ownership thereof.

(c) Every substituted Note issued pursuant to this Section 2.07 by virtue of the fact that any Note is mutilated, destroyed, lost or stolen shall constitute an additional contractual obligation of the Company, whether or not such destroyed, lost or stolen Note shall be found at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder. All Notes shall be held and owned upon the express condition that, to the extent permitted by law, the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes and shall preclude to the full extent permitted by applicable law any and all other rights or remedies with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 2.08 TEMPORARY NOTES. Pending the preparation of definitive Notes of any series, the Company may execute and the Trustee shall authenticate and deliver temporary Notes (printed, lithographed or otherwise reproduced). Temporary Notes shall be issuable in any authorized denomination and substantially in the form of the definitive Notes but with such omissions, insertions and variations as may be appropriate for temporary Notes, all as may be determined by the Company. Every such temporary Note shall be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with the same effect, as the definitive Notes. Without unreasonable delay the Company shall execute and shall deliver to the Trustee definitive Notes of such series and thereupon any or all temporary Notes of such

11

series shall be surrendered in exchange therefor at the corporate trust office of the Trustee, and the Trustee shall authenticate, deliver and register in exchange for such temporary Notes an equal aggregate principal amount of definitive Notes of such series. Such exchange shall be made by the Company at its own expense and without any charge therefor to the Noteholders. Until so exchanged, the temporary Notes of such series shall in all respects be entitled to the same benefits under this Indenture as definitive Notes of such series authenticated and delivered hereunder.

Section 2.09 CANCELLATION OF NOTES PAID, ETC. All Notes surrendered for the purpose of payment, redemption, exchange or registration of transfer shall be surrendered to the Trustee for cancellation and promptly cancelled by it and no Notes shall be issued in lieu thereof except as expressly permitted by this Indenture. The Company shall surrender to the Trustee any Notes so acquired by it and such Notes shall be cancelled by the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes so cancelled.

Section 2.10 INTEREST RIGHTS PRESERVED. Each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note, and each such Note shall be so dated that neither gain nor loss of interest shall result from such transfer, exchange or substitution.

Section 2.11 SPECIAL RECORD DATE. If and to the extent that the Company fails to make timely payment or provision for timely payment of interest on any series of Notes (other than on an Interest Payment Date that is a Maturity date), that interest shall cease to be payable to the Persons who were the Noteholders of such series at the applicable Regular Record Date. In that event, when moneys become available for payment of the interest, the Trustee shall (a) establish a date of payment of such interest and a Special Record Date for the payment of that interest, which Special Record Date shall be not more than 15 or fewer than 10 days prior to the date of the proposed payment and (b) mail notice of the date of payment and of the Special Record Date not fewer than 10 days preceding the Special Record Date to each Noteholder of such series at the close of business on the 15th day preceding the mailing at the address of such Noteholder, as it appeared on the register for the Notes. On the day so established by the Trustee, the interest shall be payable to the Holders of the applicable Notes at the close of business on the Special Record Date.

Section 2.12 PAYMENT OF NOTES. Payment of the principal of and interest and premium on all Notes shall be payable as follows:

(a) On or before 10:00 a.m., New York City time, or such other time as shall be agreed upon between the Trustee and the Company, of the day on which payment of principal, interest and premium is due on any Global Note pursuant to the terms thereof, the Company shall deliver to the Trustee or the paying agent funds available on such date sufficient to make such payment, by wire transfer of immediately available funds or by instructing the Trustee to withdraw sufficient funds from an account maintained by the Company with the Trustee or such other method as is acceptable to the Trustee. On or before 1:30 p.m., New York City time, or such other time as shall be agreed upon between the Trustee and the Depository, of the day on which any payment of interest is due on any Global Note (other than at Maturity), the Trustee shall pay to the Depository such interest in same day funds. On or before 1:30 p.m., New York City time or such other time as shall be agreed upon between the Trustee and the Depository, of the day on which principal, interest payable at Maturity and premium, if any, is due on any Global Note, the Trustee shall deposit with the Depository the amount equal to the principal,

12

interest payable at Maturity and premium, if any, by wire transfer into the account specified by the Depository. As a condition to the payment, at Maturity, of any part of the principal of, interest on, and applicable premium of any Global Note, the Depository shall surrender, or cause to be surrendered, such Global Note to the Trustee, whereupon a new Global Note shall be issued to the Depository pursuant to Section 2.06(f) hereof.

(b) With respect to any Note that is not a Global Note, principal, applicable premium and interest due at the Maturity of the Note shall be payable in immediately available funds when due upon presentation and surrender of such Note at the corporate trust office of the Trustee or at the authorized office of any paying agent in the Borough of Manhattan, The City and State of New York. Interest on any Note that is not a Global Note (other than interest payable at Maturity) shall be paid by check payable in clearinghouse funds mailed to the Holder thereof at such Holder's address as it appears on the register; provided that if the Trustee receives a written request from any Holder of Notes, the aggregate principal amount of which having the same Interest Payment Date equals or exceeds \$10,000,000, on or before the applicable Regular Record Date for such Interest Payment Date, interest on such Note shall be paid by wire transfer of immediately available funds to a bank within the continental United States designated by such Holder in its request or by direct deposit into the account of such Holder designated by such Holder in its request if such account is maintained with the Trustee or any paying agent.

Section 2.13 NOTES ISSUABLE IN THE FORM OF A GLOBAL NOTE.

(a) If the Company shall establish pursuant to Section 2.05 hereof that the Notes of a particular series are to be issued in the form of one or more Global Notes, then the Company shall execute and the Trustee shall, in accordance with Section 2.05 hereof and the Company Order delivered to the Trustee thereunder, authenticate and deliver such Global Note or Notes, which, unless otherwise specified in such Company Order, (i) shall represent, shall be denominated in an amount equal to the aggregate principal amount of, and shall have the same terms as, the outstanding Notes of such series to be represented by such Global Note or Notes, (ii) shall be registered in the name of the Depository or its nominee, (iii) shall be delivered by the Trustee to the Depository or pursuant to the Depository's instruction and (iv) shall bear a legend substantially to the following effect: "This Note is a Global Note registered in the name of the Depository (referred to herein) or a nominee thereof and, unless and until it is exchanged in whole for the individual Notes represented hereby as provided in the Indenture referred to below, this Global Note may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. Unless this Global Note is presented by an authorized representative of The Depository Trust Company (55 Water Street, New York, New York), to the Trustee for registration of transfer, exchange or payment, and any certificate issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered owner hereof, Cede & Co., has an interest herein" or such other legend as may be required by the rules and regulations of the Depository.

(b) (i) If at any time the Depository for a Global Note notifies the Company that it is unwilling or unable to continue as Depository for such Global Note or if at any time the Depository for the

Global Note shall no longer be eligible or in good standing under the Securities Exchange Act of 1934

13

or other applicable statute or regulation, the Company shall appoint a successor Depository with respect to such Global Note. If a successor Depository for such Global Note is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company's election pursuant to Section 2.05(c)(vi) hereof shall no longer be effective with respect to the series of Notes evidenced by such Global Note and the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of individual Notes of such series in exchange for such Global Note, shall authenticate and deliver, individual Notes of such series of like tenor and terms in definitive form in an aggregate principal amount equal to the principal amount of such Global Note in exchange for such Global Note. The Trustee shall not be charged with knowledge or notice of the ineligibility of a Depository unless a Responsible Officer shall have actual knowledge thereof.

(ii) (A) The Company may at any time and in its sole discretion determine that all outstanding (but not less than all) Notes of a series issued or issuable in the form of one or

more Global Notes shall no longer be represented by such Global Note or Notes. In such event the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of individual Notes in exchange for such Global Note, shall authenticate and deliver individual Notes of like tenor and terms in definitive form in an aggregate principal amount equal to the principal amount of such Global Note or Notes in exchange for such Global Note or Notes.

(B) Within seven days after the occurrence of an Event of Default with respect to any series of Global Notes, the Company shall execute, and the Trustee shall authenticate and deliver, Notes of such series in definitive registered form in any authorized denominations and in aggregate principal amount equal to the principal amount of such Global Notes in exchange for such Global Notes.

(iii) In any exchange provided for in any of the preceding two paragraphs, the Company will execute and the Trustee will authenticate and deliver individual Notes in definitive registered form in authorized denominations. Upon the exchange of a Global Note for individual Notes, such Global Note shall be cancelled by the Trustee. Notes issued in exchange for a Global Note pursuant to this Section shall be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Notes to the Depository for delivery to the persons in whose names such Notes are so registered, or if the Depository shall refuse or be unable to deliver such Notes, the Trustee shall deliver such Notes to the persons in whose names such Notes are registered, unless otherwise agreed upon between the Trustee and the Company, in which event the Company shall cause the Notes to be delivered to the persons in whose names such Notes are registered.

14

(c) Neither the Company, the Trustee, any Authenticating Agent nor any paying agent shall have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interest.

(d) Pursuant to the provisions of this subsection, at the option of the Trustee (subject to Section 2.04(a) hereof) and upon 30 days' written notice to the Depository but not prior to the first Interest Payment Date of the respective Global Notes, the Depository shall be required to surrender any two or more Global Notes which have identical terms, including, without limitation, identical maturities, interest rates and redemption provisions (but which may have differing Original Issue Dates) to the Trustee, and the Company shall execute and the Trustee shall authenticate and deliver to, or at the direction of, the Depository a Global Note in principal amount equal to the aggregate principal amount of, and with all terms identical to, the Global Notes surrendered thereto and that shall indicate each applicable Original Issue Date and the principal amount applicable to each such Original Issue Date. The exchange contemplated in this subsection shall be consummated at least 30 days prior to any Interest Payment Date applicable to any of the Global Notes surrendered to the Trustee. Upon any exchange of any Global Note with two or more Original Issue Dates, whether pursuant to this Section or pursuant to Section 2.06 or Section 3.03 hereof, the aggregate principal amount of the Notes with a particular Original Issue Date shall be the same before and after such exchange, after giving effect to any retirement of Notes and the Original Issue Dates applicable to such Notes occurring in connection with such exchange.

Section 2.14 CUSIP AND ISIN NUMBERS. The Company in issuing Notes may use "CUSIP" or "ISIN" numbers (if then generally in use) and, if so used, the Trustee shall use "CUSIP" or "ISIN" numbers in notices of redemption as a convenience to holders of Notes; provided, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee of any change in the "CUSIP" or "ISIN" numbers.

Section 2.15 EXTENSION OF INTEREST PAYMENT PERIODS. The Company shall have the right at any time, so long as the Company is not in default in the payment of interest on the Notes of any series hereunder, to extend interest payment periods on all Notes of one or more series, if so specified as contemplated by Section 2.05 with respect to such Notes and upon such terms as may be specified as contemplated by Section 2.05 with respect to such Notes.

ARTICLE III

REDEMPTION OF NOTES

Section 3.01 APPLICABILITY OF ARTICLE. Those Notes of any series that are, by their terms, redeemable prior to their Stated Maturity at the option of the Company, may be redeemed by the Company at such times, in such amounts and at such prices as may be specified therein and in accordance with the provisions of this Article III.

15

Section 3.02 NOTICE OF REDEMPTION; SELECTION OF NOTES.

(a) The election of the Company to redeem any Notes shall be evidenced by a Board Resolution which shall be given with notice of redemption to the Trustee at least 45 days (or such shorter period acceptable to the Trustee in its sole discretion) prior to the redemption date specified in such notice.

(b) Notice of redemption to each Holder of Notes to be redeemed as a whole or in part shall be given by the Trustee, in the manner provided in Section 15.10 hereof, no less than 30 or more than 60 days prior to the date fixed for redemption. Any notice which is given in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Noteholder receives the notice. In any case, failure duly to give such notice, or any defect in such notice, to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Note.

(c) Each such notice shall identify the Notes to be redeemed (including "CUSIP" or "ISIN" numbers) and shall specify the date fixed for redemption, the places of redemption and the redemption price (or the method for calculation thereof) at which such Notes are to be redeemed, and shall state that (subject to subsection (e) of this section) payment of the redemption price of such Notes or portion thereof to be redeemed will be made upon surrender of such Notes at such places of redemption, that interest accrued to the date fixed for redemption will be paid as specified in such notice, and that from and after such date interest thereon shall cease to accrue. If less than all of a series of Notes having the same terms are to be redeemed, the notice shall specify the Notes or portions thereof to be redeemed. If any Note is to be redeemed in part only, the notice which relates to such Note shall state the portion of the principal amount thereof to be redeemed, and shall state that, upon surrender of such Note, a new Note or Notes having the same terms in aggregate principal amount equal to the unredeemed portion thereof will be issued.

(d) Unless otherwise provided by a Company Order under Section 2.05 hereof, if less than all of a series of Notes is to be redeemed, the Trustee shall select in such manner as it shall deem appropriate and fair in its discretion the particular Notes to be redeemed in whole or in part and shall hereafter promptly notify the Company in writing of the Notes so to be redeemed. If less than all of a series of Notes represented by a Global Note is to be redeemed, the particular Notes or portions thereof of such series to be redeemed shall be selected by the Depository for such series of Notes in such manner as the Depository shall determine. Notes shall be redeemed only in denominations of \$1,000, or such other denominations authorized by a Company Order pursuant to Section 2.05 hereof, provided that any remaining principal amount of a Note redeemed in part shall be a denomination authorized under this Indenture.

(e) If at the time of the mailing of any notice of redemption at the option of the Company, the Company shall not have irrevocably directed the Trustee to apply funds then on deposit with the Trustee or held by it and available to be used for the redemption of Notes to redeem all the Notes called for redemption, such notice, at the election of the Company, may state that it is conditional and subject to the receipt of the redemption moneys by the Trustee on or before the date fixed for redemption and that such notice shall be of no force and effect unless such moneys are so received on or before such date.

(a) If notice of redemption for any Notes shall have been given as provided in Section 3.02 hereof and such notice shall not contain the language permitted at the Company's option under Section 3.02(e) hereof, such Notes or portions of Notes called for redemption shall become due and payable on the date and at the places stated in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption of such Notes. Interest on the Notes or portions thereof so called for redemption shall cease to accrue and such Notes or portions thereof shall be deemed not to be entitled to any benefit under this Indenture except to receive payment of the redemption price together with interest accrued thereon to the date fixed for redemption. Upon presentation and surrender of such Notes at the place of payment specified in such notice, such Notes or the specified portions thereof shall be paid and redeemed at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption.

(b) If notice of redemption shall have been given as provided in Section 3.02 hereof and such notice shall contain the language permitted at the Company's option under Section 3.02(e) hereof, such Notes or portions of Notes called for redemption shall become due and payable on the date and at the places stated in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption of such Notes, and interest on the Notes or portions thereof so called for redemption shall cease to accrue and such Notes or portions thereof shall be deemed not to be entitled to any benefit under this Indenture except to receive payment of the redemption price together with interest accrued thereon to the date fixed for redemption; provided that, in each case, the Company shall have deposited with the Trustee or a paying agent on or prior to 11:00 a.m. New York City time on such redemption date an amount sufficient to pay the redemption price together with interest accrued to the date fixed for redemption. Upon the Company making such deposit and, upon presentation and surrender of such Notes at such a place of payment in such notice specified, such Notes or the specified portions thereof shall be paid and redeemed at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption. If the Company shall not make such deposit on or prior to the redemption date, the notice of redemption shall be of no force and effect and the principal on such Notes or specified portions thereof shall continue to bear interest as if the notice of redemption had not been given.

(c) No notice of redemption of Notes shall be mailed during the continuance of any Event of Default, except (1) that, when notice of redemption of any Notes has been mailed, the Company shall redeem such Notes but only if funds sufficient for that purpose have prior to the occurrence of such Event of Default been deposited with the Trustee or a paying agent for such purpose, and (2) that notices of redemption of all outstanding Notes may be given during the continuance of an Event of Default.

(d) Upon surrender of any Note redeemed in part only, the Company shall execute, and the Trustee shall authenticate, deliver and register, a new Note or Notes of authorized denominations in aggregate principal amount equal to, and having the same terms, Original Issue Date or Dates and series as, the unredeemed portion of the Note so surrendered.

ARTICLE IV

SINKING FUNDS

Section 4.01 APPLICABILITY OF ARTICLE. The provisions of this Article shall be applicable to any sinking fund for the retirement of the Notes of any series, except as otherwise specified as contemplated by Section 2.05(c) hereof for Notes of such series.

The minimum amount of any sinking fund payment provided for by the terms of Notes of any series is herein referred to as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of Notes of any series is herein referred to as an "optional sinking fund payment". If provided for by the terms of Notes of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 4.02 hereof. Each sinking fund payment shall be applied to the redemption of Notes of the series in respect of which it was made as provided for by the terms of such Notes.

Section 4.02 SATISFACTION OF SINKING FUND PAYMENTS WITH NOTES. The Company (a) may deliver Outstanding Notes (other than any previously called for redemption) of a series in respect of which a mandatory sinking fund payment is to be made and (b) may apply as a credit Notes of such series which have been redeemed either at the election of the Company pursuant to the terms of such Notes or through the application of permitted optional sinking fund payments pursuant to the terms of such Notes, in each case in satisfaction of all or any part of such mandatory sinking fund payment; provided, however, that no Notes shall be applied in satisfaction of a mandatory sinking fund payment if such Notes shall have been previously so applied. Notes so applied shall be received and credited for such purpose by the Trustee at the redemption price specified in such Notes for redemption through operation of the sinking fund and the amount of such mandatory sinking fund payment shall be reduced accordingly.

Section 4.03 REDEMPTION OF NOTES FOR SINKING FUND. Not less than 45 days prior to each sinking fund payment date for the Notes of any series, the Company shall deliver to the Trustee an Officers' Certificate specifying:

- (a) the amount of the next succeeding mandatory sinking fund payment for such series;
- (b) the amount, if any, of the optional sinking fund payment to be made together with such mandatory sinking fund payment;
- (c) the aggregate sinking fund payment;
- (d) the portion, if any, of such aggregate sinking fund payment which is to be satisfied by the payment of cash; and
- (e) the portion, if any, of such aggregate sinking fund payment which is to be satisfied by delivering and crediting Notes of such series pursuant to Section 4.02 hereof and stating the basis for such credit and that such Notes have not previously been so credited.

The Company shall also deliver to the Trustee any Notes to be so delivered. If the Company shall not deliver such Officers' Certificate, the next succeeding sinking fund payment for such series shall be made entirely in cash in the amount of the mandatory sinking fund payment. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Notes to be redeemed upon such sinking fund payment date in the manner specified in Section 3.02(d) hereof and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 3.02 hereof. Such notice having been duly given, the redemption of such Notes shall be made upon the terms and in the manner stated in Section 3.03 hereof.

ARTICLE V

SATISFACTION AND DISCHARGE; UNCLAIMED MONEYS

Section 5.01 SATISFACTION AND DISCHARGE OF INDENTURE. This Indenture shall upon the request of the Company cease to be of further effect with respect to the Notes of any series (except as to any surviving rights of registration of transfer or exchange of Notes of such series herein expressly provided for), and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when:

- (a) either:
 - (i) all Notes of such series previously authenticated and delivered (other than Notes of such series which have been destroyed, lost or stolen and which have been replaced or paid) have been delivered to the Trustee for cancellation; or
 - (ii) all the Notes of such series not previously delivered to the Trustee for cancellation have become due and payable (whether at stated maturity, early redemption or otherwise), and the Company has deposited, or caused to be deposited, irrevocably with the Trustee as funds in trust solely for the benefit of the Holders of the Notes of such series an amount in cash sufficient to pay principal of, premium, if any, and interest on all outstanding Notes of such series;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company with respect to the Notes of such series; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Notes of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to the Notes of any or all series, the obligations of the Company to the Trustee under Section 9.06 hereof shall survive, and, if money will have been deposited with the Trustee pursuant to subclause (ii) of clause (a) of this Section 5.01, the obligations of the Trustee under Sections 5.02 and 5.05 hereof shall survive.

Section 5.02 APPLICATION OF TRUST FUNDS; INDEMNIFICATION.

(a) Subject to the provisions of Section 5.05 hereof, all money and U.S. Government Obligations deposited with the Trustee pursuant to Section 5.01, 5.03 or 5.04 hereof and all money received by the Trustee in respect of U.S. Government Obligations deposited with the Trustee pursuant to Sections 5.01, 5.03 or 5.04 hereof, shall be held in trust and applied by it, in accordance with the provisions of the Notes of any particular series and this Indenture, to the payment, either directly or through any paying agent as the Trustee may determine, to the persons entitled thereto, of the principal, premium, if any, and interest for whose payment such money has been deposited with or received by the Trustee.

(b) The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against U.S. Government Obligations deposited

19

pursuant to Sections 5.01, 5.03 or 5.04 hereof or the interest, premium, if any, and principal received in respect of such obligations other than any payable by or on behalf of Holders.

(c) The Trustee shall deliver or pay to the Company from time to time upon the request of the Company any U.S. Government Obligations or money held by it as provided in Sections 5.01, 5.03 or 5.04 hereof which, in the opinion of a nationally recognized firm of independent certified public accountants expressed in a written certification thereof delivered to the Trustee, are then in excess of the amount thereof which then would have been required to be deposited for the purpose for which such U.S. Government Obligations or money were deposited or received. This provision shall not authorize the sale by the Trustee of any U.S. Government Obligations held under this Indenture.

Section 5.03 LEGAL DEFEASANCE. The Company shall be deemed to have been discharged from its obligations with respect to all of the outstanding Notes of any series on the day after the date of the deposit referred to in subparagraph (i) hereof, and the provisions of this Indenture, as it relates to the outstanding Notes of such series, shall no longer be in effect (and the Trustee, at the expense of the Company, shall, upon the request of the Company, execute proper instruments acknowledging the same), except as to:

(a) the rights of Holders of the Notes of such series to receive, solely from the trust funds described in subparagraph (i) below, payments of the principal of, premium, if any, or interest on the outstanding Notes of such series on the date such payments are due;

(b) the Company's obligations with respect to the Notes of such series under Sections 2.06, 2.07, 2.13, 6.02 and 6.04 hereof; and

(c) the rights, powers, trust and immunities of the Trustee hereunder and the duties of the Trustee under Section 5.02 hereof and the duty of the Trustee to authenticate Notes of such series issued on registration of transfer of exchange; provided that the following conditions shall have been satisfied:

(i) the Company shall have deposited, or caused to be deposited, irrevocably with the Trustee as funds in trust for the purpose of making the following payments, specifically pledged as security for and dedicated solely to the benefit of the Holders of the Notes of such series, cash in U.S. dollars and/or U.S. Government Obligations which through the payment of interest and principal in respect thereof, in accordance with their terms, will provide (without reinvestment), not later than one day before the due date of any payment of money, an amount in cash, sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay principal of, premium, if any, and interest on all the Notes of such series on the dates such payments of principal, premium, if any, or interest are due to maturity or redemption;

(ii) no Event of Default or event which with the giving of notice or lapse of time or both would become an Event of Default with respect to the Notes of such series shall have occurred and be continuing on the date of such deposit and 91 days shall have passed after the deposit has been made, and, during such 91 day period, no Default with respect to the Notes of such series specified in Section 8.01(a)(5) or (6) hereof with respect to the Company occurs which is continuing at the end of such period;

20

(iii) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel to the effect that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (B) since the date of execution of this Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the Notes of such series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit, defeasance and discharge and will be subject to federal income tax in the same amounts, in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge had not occurred;

(iv) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of the Notes of such series over any other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Company;

(v) such deposit shall not cause the Trustee to have a conflicting interest within the meaning of the TIA with respect to any securities of the Company or result in the trust arising from such deposit constituting an "investment company" (as defined in the Investment Company Act of 1940, as amended); and

(vi) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the defeasance contemplated by this Section 5.03 have been complied with.

Subject to compliance with this Article V, the Company may exercise its option under this Section 5.03 notwithstanding the prior exercise of its option under Section 5.04 with respect to the Notes of any series. Following a defeasance, payment of the Notes of such series may not be accelerated because of an Event of Default.

Section 5.04 COVENANT DEFEASANCE. On and after the day after the date of the deposit referred to in subparagraph (a) hereof, the Company may omit to comply with any term, provision or condition set forth under Section 6.05 and Article XII hereof as well as any additional covenants contained in a supplemental indenture hereto (and the failure to comply with any such provisions shall not constitute a Default or Event of Default under Section 8.01 hereof) and the occurrence of any event described in clause (3) and (4) of Section 8.01(a) hereof shall not constitute a Default or Event of Default hereunder, with respect to the Notes of any series, provided that the following conditions shall have been satisfied:

(a) with reference to this Section 5.04, the Company has deposited, or caused to be deposited, irrevocably (except as provided in Section 5.05 hereof) with the Trustee as funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of the Notes of such series, cash in U.S. dollars and/or U.S. Government Obligations which through the payment of principal and interest in respect thereof, in accordance with their terms, will provide (without reinvestment), not later than one day before the due date of any payment of money, an amount in cash, sufficient, in the opinion of a nationally recognized firm of

21

independent certified public accountants expressed in a written certification thereof delivered to the Trustee, to pay principal, premium, if any, and interest on all the Notes of such series on the dates such payments of principal, premium, if any, and interest are due to maturity or redemption;

(b) no Event of Default or event which with the giving of notice or lapse of time or both would become an Event of Default with respect to the Notes of such series shall have occurred and be continuing on the date of such deposit and 91 days shall have passed after the deposit has been made, and, during such 91 day period, no Default with respect to the Notes of such series specified in Section 8.01(a)(5) or (6) hereof with respect to the Company occurs which is continuing at the end of such period;

(c) the Company shall have delivered to the Trustee an Opinion of Counsel confirming that Holders of the Notes of such series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and will be subject to federal income tax in the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(d) the Company shall have delivered to the Trustee an Officers' Certificate stating the deposit was not made by the Company with the intent of preferring the Holders of the Notes of such series over any other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Company;

(e) such deposit shall not cause the Trustee to have a conflicting interest within the meaning of the TIA with respect to any securities of the Company or result in the trust arising from such deposit constituting an "investment company" (as defined in the Investment Company Act of 1940, as amended);

(f) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the defeasance contemplated by this Section 5.04 have been complied with; and

(g) following a covenant defeasance, payment of the Notes of any series may not be accelerated because of an Event of Default specified in Sections 8.01(a)(5) and (6) or by reference to Sections 6.05 and 8.01(a)(3) and (4) and Article XII hereof.

Section 5.05 REPAYMENT TO COMPANY. The Trustee and the paying agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years after the date upon which such payment shall have become due. After payment to the Company, Holders of the Notes of such series entitled to the money must look to the Company for payment as general creditors unless an applicable abandoned property law designates another Person.

ARTICLE VI

PARTICULAR COVENANTS OF THE COMPANY

Section 6.01 PAYMENT OF PRINCIPAL AND INTEREST. The Company covenants and agrees for the benefit of the Holders of the Notes of any series that it will duly and punctually pay or cause to be paid the principal of and any premium and interest, if any, on, such Notes at

22

the places, at the respective times and in the manner provided in such Notes or in this Indenture.

Section 6.02 OFFICES FOR PAYMENTS, ETC. So long as the Notes of any series are outstanding hereunder, the Company will maintain an office or agency where the Notes of such series may be presented for payment, for exchange as in this Indenture provided, for registration of transfer as in this Indenture provided, and where notices and demands to or upon the Company in respect of the securities under this Indenture may be served. The Principal Executive Offices of the Company will be such office or agency unless the Company shall maintain some other office or agency for such purposes and shall give the Trustee and the registered holders of the securities written notice of the location thereof. If the Company shall fail to give such notice of the location or of any change in the location of any of the above offices or agencies, presentations and demands may be made and notices may be served at the Corporate Trust Office of the Trustee, and, in such event, the Trustee shall act as the Company's agent to receive all such presentations, surrenders, notices and demands.

The Company may from time to time designate one or more additional offices or agencies where the Notes of any series may be presented for payment, for exchange as in this Indenture provided and for registration of transfer as in this Indenture provided, and the Company may from time to time rescind any such designation; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain any office or agency provided for in this Section. The Company will give to the Trustee prompt written notice of any such designation or rescission thereof and of any change in the location of any such other office or agency.

Section 6.03 APPOINTMENT TO FILL A VACANCY IN OFFICE OF TRUSTEE. The Company, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 9.11, a Trustee, so that there shall at all times be a Trustee hereunder.

Section 6.04 PROVISION AS TO PAYING AGENT. The Trustee shall be the paying agent for the Notes and, at the option of the Company, the Company may appoint additional paying agents (including without limitation itself or its Subsidiary unless an Event of Default has occurred and is continuing). Whenever the Company shall appoint a paying agent other than the Trustee with respect to the Notes, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section:

(a) that such paying agent will hold all sums received by it as such agent for the payment of the principal of or interest, if any, on the Notes (whether such sums have been paid to it by the Company or by any other obligor on the Notes) in trust for the benefit of the Holders of the Notes, or of the Trustee until such sums shall be paid to such Holders or otherwise disposed of as herein provided;

(b) that such paying agent will give the Trustee notice of any failure by the Company (or by any other obligor on Notes) to make any payment of the principal of, premium if any, or interest on the Notes when the same shall be due and payable; and

(c) that such paying agent will at any time during the continuance of any such failure, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

23

The Company will, on or prior to each due date of the principal of and any premium, if any, or interest on the Notes, deposit with the paying agent a sum sufficient to pay such principal and any premium or interest so becoming due, such sum to be held in trust for the benefit of the Holders of the Notes entitled to such principal of and any premium or interest, and (unless such paying agent is the Trustee) the Company will promptly notify the Trustee of any failure to take such action.

If the Company or its Subsidiary shall act as its own paying agent with respect to the Notes, it will, on or before each due date of the principal of (and premium, if any) or interest, if any, on the Notes, set aside, segregate and hold in trust for the benefit of the Holders of the Notes, a sum sufficient to pay such principal (and premium, if any) or interest, if any, so becoming due until such sums shall be paid to such Holders or otherwise disposed of as herein provided. The Company will promptly notify the Trustee of any failure to take such action.

The Company may at any time pay or cause to be paid to the Trustee all sums held in trust by it or any paying agent hereunder, as required by this Section, such sums to be held by the Trustee upon the trusts herein contained, and, upon such payment by any paying agent to the Trustee, such paying agent shall be released from all further liability with respect to such money.

Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to the provisions of Sections 5.03 and 5.04.

Section 6.05 CORPORATE EXISTENCE. Subject to the rights of the Company under Article XII, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and the rights (charter and statutory) and franchises of the Company; provided, however, that the Company shall not be required to preserve any such right or franchise if, in the judgment of the Company, the preservation thereof is no longer desirable in the conduct of the business of the Company.

Section 6.06 CERTIFICATES AND NOTICE TO TRUSTEE. The Company shall, on or before June 30 of each year, commencing in 2007 deliver to the Trustee a certificate from its principal executive officer, principal financial officer or principal accounting officer covering the preceding calendar year and stating whether or not, to the knowledge of such Person, the Company has complied with all conditions and covenants under this Indenture, and, if not, describing in reasonable detail any failure by the Company to comply with any such conditions or covenants. For purposes of this Section, compliance shall be determined without regard to any period of grace or requirement of notice provided under this Indenture.

ARTICLE VII

NOTEHOLDER LISTS AND REPORTS BY THE COMPANY AND THE TRUSTEE

Section 7.01 COMPANY TO FURNISH NOTEHOLDER LISTS. The Company and any other obligor on the Notes shall furnish or cause to be furnished to the Trustee a list in such form as the Trustee may reasonably require of the names and addresses of the Holders of the Notes:

24

(a) semi-annually and not more than 15 days after each Regular Record Date for each Interest Payment Date that is not a Maturity date, as of such Regular Record Date, and such list need not include information received after such date; and

(b) at such other times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request, as of a date not more than 15 days prior to the time such information is furnished, and such list need not include information received after such date; provided that if and so long as the Trustee shall be the registrar for the Notes, such list shall not be required to be furnished.

Section 7.02 PRESERVATION AND DISCLOSURE OF NOTEHOLDER LISTS.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders of the Notes (i) contained in the most recent lists furnished to it as provided in Section 7.01, (ii) received by it in the capacity of registrar for the Notes, if so acting, and (iii) filed with it within the two preceding years pursuant to Section 7.04(d)(2). The Trustee may destroy any list furnished to it as provided in Section 7.01 upon receipt of a new list so furnished.

(b) In case three or more Holders of Notes (hereinafter referred to as "applicants") apply in writing to the Trustee and furnish to the Trustee reasonable proof that each such applicant has owned a Note for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders of Notes with respect to their rights under this Indenture or under the Notes and such application is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Trustee shall, within five Business Days after the receipt of such application, at its election, either

- (i) afford to such applicants access to the information preserved at the time by the Trustee in accordance with the provisions of subsection (a) of this Section; or
- (ii) inform such applicants as to the approximate number of Holders whose names and addresses appear in the information preserved at the time by the Trustee, in accordance with the provisions of such subsection (a) and as to the approximate cost of mailing to such Holders the form of proxy or other communication, if any, specified in such application.

If the Trustee shall elect not to afford to such applicants access to such information, the Trustee shall, upon the written request of such applicants, mail to each Holder of Notes, whose name and address appears in the information preserved at the time by the Trustee in accordance with the provisions of such subsection (a) a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless within five days after such tender the Trustee shall mail to such applicants and file with the Commission, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Trustee, such mailing would be contrary to the best interests of the Holders or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. If the Commission, after opportunity for a hearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if, after the entry of an order sustaining one or more

25

of such objections, the Commission shall find, after notice and opportunity for hearing, that all the objections so sustained have been met, and shall enter an order so declaring, the Trustee shall mail copies of such material to all such Holders with reasonable promptness after the entry of such order and the renewal of such tender; otherwise the Trustee shall be relieved of any obligation or duty to such applicants respecting their application.

(c) Each and every Holder of a Note, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders of Notes in accordance with the provisions of subsection (b) of this Section, regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under such subsection (b).

Section 7.03 REPORTS BY THE COMPANY. The Company shall:

(a) file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Company is not required to file information, documents or reports pursuant to either of said Sections, then it will file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(b) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations. Filing of such information, documents and reports with the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates); and

(c) transmit by mail to all Holders of Notes, within 30 days after the filing thereof with the Trustee in the manner and to the extent provided in Section 7.04(d), such summaries of any information, documents and reports required to be filed by the Company pursuant to paragraphs (a) and (b) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Note that, for purposes of this Section 7.03, the Company's responsibility to file information with the Trustee which is also filed with the Commission, shall be deemed to be satisfied by the posting of the Company's filings with the Commission on the Commission's website (www.sec.gov/edgar).

26

Section 7.04 REPORTS BY THE TRUSTEE.

(a) Annually, not later than August 15 of each year, the Trustee shall transmit by mail a brief report dated as of such date that complies with Section 313(a) of the TIA (to the extent required by such Section).

(b) The Trustee shall from time to time transmit by mail brief reports that comply, both in content and date of delivery, with Section 313(b) of the TIA (to the extent required by such Section).

(c) A copy of each such report filed pursuant to this section shall, at the time of such transmission to such Holders, be filed by the Trustee with each stock exchange upon which any Notes are listed and also with the Commission. The Company will notify the Trustee promptly in writing upon the listing of such Notes on any stock exchange or any delisting thereof.

(d) Except as otherwise described in Section 7.03, reports pursuant to this Section shall be transmitted:

- (1) by mail to all Holders of Notes, as their names and addresses appear in the register for the Notes;
- (2) by mail to such Holders of Notes as have, within the two years preceding such transmission, filed their names and addresses with the Trustee for such purpose;
- (3) by mail, except in the case of reports pursuant to Section 7.04(b) and (c) hereof, to all Holders of Notes whose names and addresses have been furnished to or received by the Trustee pursuant to Section 7.01 and 7.02(a)(ii) hereof; and
- (4) at the time such report is transmitted to the Holders of the Notes, to each exchange on which Notes are listed and also with the Commission.

**REMEDIES OF THE TRUSTEE AND NOTEHOLDERS
ON EVENTS OF DEFAULT**

Section 8.01 EVENTS OF DEFAULT.

(a) If one or more of the following Events of Default with respect to the Notes of any series shall have occurred and be continuing:

(1) default in the payment of any installment of interest upon any Note of such series as and when the same shall become due and payable, and continuance of such default for a period of thirty (30) days, provided, however, that a valid extension of the interest payment period or deferral of interest payment by the Company as contemplated in Section 2.15 shall not constitute a failure to pay interest for this purpose;

27

(2) default in the payment of the principal of or any premium on any Note of such series as and when the same shall become due and payable, and continuance of such default for a period of one (1) day;

(3) failure on the part of the Company duly to observe or perform any other covenants or agreements on the part of the Company contained in this Indenture (other than a covenant or agreement that has been expressly included in this Indenture solely for the benefit of one or more series of Notes other than such series) for a period of sixty (60) days after the date on which written notice specifying such failure, stating that such notice is a "Notice of Default" hereunder and demanding that the Company remedy the same, shall have been given to the Company by the Trustee by registered mail, or to the Company and the Trustee by the Holders of not less than 33% in aggregate principal amount of the Notes of such series at the time outstanding;

(4) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or similar official) of the Company or for any substantial part of the property of the Company, or ordering the winding up or liquidation of the affairs of the Company, and such decree or order shall remain unstayed and in effect for a period of sixty (60) consecutive days;

(5) the Company shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect or any other case or proceeding to be adjudicated a bankrupt or insolvent, or consent to the entry of a decree or order for relief in an involuntary case under any such law, or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable law, or consent to the filing of such petition or to the appointment or taking possession by a receiver, liquidator, assignee, custodian, trustee or sequestrator (or similar official) of the Company or for any substantial part of the property of the Company, or make any general assignment for the benefit of creditors, or the notice by it in writing of its inability to pay its debts generally as they become due, or the taking of any corporate action by the Company in furtherance of any such action; or

(6) any other Event of Default specified with respect to Notes of any series pursuant to Section 2.05 hereof;

then, unless the principal of and interest on all of the Notes shall have already become due and payable, either the Trustee or the Holders of a majority in aggregate principal amount of the Notes of such series then outstanding, by notice in writing to the Company (and to the Trustee if given by such Holders), may declare the principal of and interest on all the Notes of such series to be due and payable immediately and upon any such declaration the same shall become immediately due and payable, anything in this Indenture or in the Notes of such series

28

contained to the contrary notwithstanding; provided, however, that if an Event of Default shall have occurred and be continuing with respect to more than one series of Notes, the Trustee or the Holders of a majority in aggregate principal amount of the Outstanding Notes of all such series, considered as one class, may make such declaration of acceleration, and not the Holders of the Notes of any one of such series.

The foregoing paragraph, however, is subject to the condition that if, at any time after the principal of and interest on the Notes of any series shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all of the Notes of such series and the principal of and any premium on any and all Notes of such series which shall have become due otherwise than by acceleration (with interest on overdue installments of interest, to the extent that payment of such interest is enforceable under applicable law, and on such principal and applicable premium at the rate borne by the Notes of such series to the date of such payment or deposit) and all sums paid or advanced by the Trustee hereunder, the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 9.06 hereof, and any and all Events of Default, other than the non-payment of principal of and accrued interest on any Notes which shall have become due solely by acceleration of maturity, shall have been cured or waived, then and in every such case such payment or deposit shall cause an automatic waiver of the Event of Default and its consequences and shall cause an automatic rescission and annulment of the acceleration of the Notes of such series; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default, or shall impair any right consequent thereon.

(b) If the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission or annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company and the Trustee shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company and the Trustee shall continue as though no such proceeding had been taken.

Section 8.02 COLLECTION OF INDEBTEDNESS BY TRUSTEE; TRUSTEE MAY PROVE DEBT.

(a) The Company covenants that if an Event of Default described in clause (a)(1) or (a)(2) of Section 8.01 hereof shall have occurred and be continuing, then, upon demand of the Trustee, the Company shall pay to the Trustee, for the benefit of the Holders of the Notes of the series with respect to which Event of Default shall have occurred and is continuing, the whole amount that then shall have so become due and payable on all such Notes for principal or interest, as the case may be, with interest upon the overdue principal and any premium and (to the extent that payment of such interest is enforceable under applicable law) upon the overdue installments of interest at the rate borne by such Notes; and, in addition thereto, such further amounts as shall be sufficient to cover the costs and expenses of collection, including reasonable compensation to the Trustee, its agents, attorneys and counsel, any expenses or liabilities incurred by the Trustee hereunder other than through its negligence or bad faith. Until such demand is made by the Trustee, the Company may pay the principal of and interest on such Notes to the Holders, whether or not such Notes be overdue.

29

(b) In case the Company shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any actions or proceedings at law or in equity for the collection of the sums so due and unpaid, and may enforce any such judgment or final decree against the Company or any other obligor on such Notes and collect in the manner provided by law out of the property of the Company or any other obligor on such Notes wherever situated, the moneys adjudged or decreed to be payable.

(c) In case there shall be pending proceedings relative to the Company or any other obligor upon the Notes under Title 11 of the United States Code or any other applicable Federal or state bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Company or its property or such other obligor, or in case of any other comparable judicial proceedings relative to the Company or such other obligor, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such proceedings or otherwise:

(1) to file and prove a claim or claims for the whole amount of the principal and interest owing and unpaid in respect of the Notes, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and of the Noteholders allowed in any judicial proceedings relative to the Company or such other obligor, or to the creditors or property of the Company or such other obligor; and

(2) to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver, liquidator, custodian or other similar official is hereby authorized by each of the Noteholders to make

payments to the Trustee, and, in the event that the Trustee shall consent to the making of the payments directly to the Noteholders, to pay to Trustee such amounts due pursuant to Section 9.06 hereof.

(d) Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes of any series or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except to vote for the election of a trustee in bankruptcy or similar person.

(e) All rights of action and of asserting claims under this Indenture, or under any of the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof at any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Trustee and its agents, attorneys and counsel, shall be for the ratable benefit of the Holders of the Notes in respect of which such action was taken.

30

(f) In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Notes in respect to which action was taken, and it shall not be necessary to make any Holders of such Notes parties to any such proceedings.

Section 8.03 APPLICATION OF PROCEEDS. Any moneys collected by the Trustee with respect to any of the Notes pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee for the distribution of such moneys, upon presentation of the several Notes, and stamping thereon the payment, if only partially paid, and upon surrender thereof if fully paid.

FIRST: To the payment of all amounts due to the Trustee pursuant to Section 9.06 hereof;

SECOND: In case the principal of the outstanding Notes in respect of which such moneys have been collected shall not have become due and be unpaid, to the payment of interest on the Notes, in the order of the maturity of the installments of such interest, with interest (to the extent allowed by law) upon the overdue installments of interest at the rate borne by the Notes, such payments to be made ratably to the persons entitled thereto, and then to the payment to the Holders entitled thereto of the unpaid principal of and applicable premium on any of the Notes which shall have become due (other than Notes previously called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), whether at stated maturity or by redemption, in the order of their due dates, beginning with the earliest due date, and if the amount available is not sufficient to pay in full all Notes due on any particular date, then to the payment thereof ratably, according to the amounts of principal and applicable premium due on that date, to the Holders entitled thereto, without any discrimination or privilege;

THIRD: In case the principal of the outstanding Notes in respect of which such moneys have been collected shall have become due, by declaration or otherwise, to the payment of the whole amount then owing and unpaid upon the Notes for principal and any premium and interest thereon, with interest on the overdue principal and any premium and (to the extent allowed by law) upon overdue installments of interest at the rate borne by the Notes; and in case such moneys shall be insufficient to pay in full the whole amount so due and unpaid upon the Notes, then to the payment of such principal and any premium and interest without preference or priority of principal and any premium over interest, or of interest over principal and any premium or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably to the aggregate of such principal and any premium and accrued and unpaid interest; and

FOURTH: To the payment of the remainder, if any, to the Company or its successors or assigns, or to whomsoever may lawfully be entitled to the same, or as a court of competent jurisdiction may determine.

Section 8.04 LIMITATIONS ON SUITS BY NOTEHOLDERS.

(a) No Holder of any Note of any series shall have any right by virtue of or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless such Holder previously shall have given to

31

the Trustee written notice of an Event of Default with respect to such Note and of the continuance thereof, as hereinabove provided, and unless also Noteholders of a majority in aggregate principal amount of the Notes of all series then outstanding in respect of which an Event of Default has occurred and is continuing, considered as one class, shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity, shall have neglected or refused to institute any such action, suit or proceeding; it being understood and intended, and being expressly covenanted by the taker and Holder of every Note of any series with every other taker and Holder and the Trustee, that no one or more Holders of Notes of such series shall have any right in any manner whatever by virtue or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder of Notes of such series, or to obtain or seek to obtain priority over or preference to any other such Holder or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders of Notes of such series. For the protection and enforcement of the provisions of this Section, each and every Noteholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

(b) Notwithstanding any other provision in this Indenture, however, the rights of any Holder of any Note to receive payment of the principal of and any premium and interest on such Note, on or after the respective due dates expressed in such Note or on the applicable redemption date, or to institute suit for the enforcement of any such payment on or after such respective dates are absolute and unconditional, and shall not be impaired or affected without the consent of such Holder.

Section 8.05 SUITS FOR ENFORCEMENT. In case an Event of Default has occurred, has not been waived and is continuing hereunder, the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted to it under this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 8.06 POWERS AND REMEDIES CUMULATIVE; DELAY OR OMISSION NOT WAIVER OF DEFAULT. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders of Notes is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

No delay or omission of the Trustee or of any Holder of Notes to exercise any right or power accruing upon any Event of Default occurring and continuing as aforesaid shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; and, subject to Section 8.04, every right and power given by this Indenture or by law to the Trustee or to the Holders of Notes may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Holders of Notes, as the case may be.

32

Section 8.07 DIRECTION OF PROCEEDINGS AND WAIVER OF DEFAULTS BY MAJORITY OF NOTEHOLDERS.

(a) The Holders of a majority in aggregate principal amount of the Notes of any series at the time outstanding shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; provided, however, that if an Event of Default shall have occurred and be continuing with respect to more than one series of Notes, the Holders of a majority in aggregate principal amount of the Outstanding Notes of all such series, considered as one class, shall have the right to make such direction, and not the Holders of the Notes of any one of such series; provided, further, that such direction shall not be otherwise than in accordance with law and the provisions of this Indenture; and provided further that (subject to Section 9.01 hereof) the Trustee shall have the right to decline to follow any such direction if the Trustee being advised by counsel determines that the action or proceeding so directed may not lawfully be taken or if the Trustee in good faith by its board of directors or trustees, executive committee, or a trust committee of directors or trustees or responsible officers shall determine that the action or proceeding so directed would involve the Trustee in personal liability. Nothing in this Indenture shall impair the right of the Trustee in its discretion to take any action deemed proper by the Trustee and which is not inconsistent with such direction or directions by Noteholders.

(b) The Holders of a majority in aggregate principal amount of the Notes of any series at the time outstanding may on behalf of all of the Holders of the Notes of such series waive any past default or Event of Default hereunder and its consequences except a default in the payment of principal of or any premium or interest on the Notes of such series. Upon any such waiver the Company, the Trustee and the Holders of the Notes of such series shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon. Upon such waiver, such default shall cease to exist and be deemed to have been cured and not to be continuing, and

any Event of Default arising therefrom shall be deemed to have been cured and not to be continuing, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 8.08 NOTICE OF DEFAULT. The Trustee shall, within 90 days after the occurrence of a default with respect to the Notes of any series, give to all Holders of the Notes of such series, in the manner provided in Section 15.10, notice of such default actually known to a Responsible Officer of the Trustee, unless such default shall have been cured or waived before the giving of such notice, the term "default" for the purpose of this Section 8.08 being hereby defined to be any event which is or after notice or lapse of time or both would become an Event of Default; provided that, except in the case of default in the payment of the principal of or any premium or interest on any of the Notes of such series, or in the payment of any sinking or purchase fund installments, the Trustee shall be protected in withholding such notice if and so long as its board of directors or trustees, executive committee, or a trust committee of directors or trustees or responsible officers in good faith determines that the withholding of such notice is in the interests of the Holders of the Notes of such series. The Company shall deliver to the Trustee, as soon as possible and in any event within five days after the Company becomes aware of the occurrence of any Event of Default or an event which, with notice or the lapse of time or both, would constitute an Event of Default, an Officers' Certificate setting forth the details of such Event of Default or default and the action which the Company proposes to take with respect thereto.

33

Section 8.09 UNDERTAKING TO PAY COSTS. All parties to this Indenture agree, and each Holder of any Note by acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but this Section 8.09 shall not apply to any suit instituted by the Trustee, or to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% in principal amount of the Notes of all series in respect of which such suit may be brought, considered as one class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or any premium or interest on any Note on or after the due date expressed in such Note or the applicable redemption date.

Section 8.10 RESTORATION OF RIGHTS ON ABANDONMENT OF PROCEEDINGS. In case the Trustee or any Holder shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee or to such Holder, then, and in every such case, the Company, the Trustee and the Holders shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the Holders shall continue as though no such proceedings had been taken.

Section 8.11 WAIVER OF USURY, STAY OR EXTENSION LAWS. The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE IX

CONCERNING THE TRUSTEE

Section 9.01 DUTIES AND RESPONSIBILITIES OF TRUSTEE.

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

34

(b) No provisions of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) prior to the occurrence of any Event of Default and after the curing or waiving of all Events of Default which may have occurred:

(A) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(B) in the absence of bad faith or actual knowledge on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction, pursuant to this Indenture, of the Holders of a majority in aggregate principal amount of the Notes of any one or more series, as provided herein, including, but not limited to, Section 8.07 hereof relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture with respect to the Notes of such series.

(c) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 9.02 RELIANCE ON DOCUMENTS, OPINIONS, ETC. Except as otherwise provided in Section 9.01 hereof:

35

(a) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officers' Certificate (unless other evidence in respect thereof is herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the Company;

(c) the Trustee may consult with counsel of its selection and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Noteholders, pursuant to this Indenture, unless such Noteholders shall have offered to the Trustee reasonable security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred

by such exercise;

(e) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(f) prior to the occurrence of an Event of Default hereunder and after the curing or waiving of all Events of Default, the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, note or other paper or document, unless requested in writing to do so by the Holders of a majority in aggregate principal amount of the then outstanding Notes of any series; provided that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by this Indenture, the Trustee may require reasonable indemnity against such expense or liability as a condition to so proceeding;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents or attorneys; provided that the Trustee shall not be liable for the conduct or acts of any such agent or attorney that shall have been appointed in accordance herewith with due care.

(h) the Trustee shall not be deemed to have notice of any default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(i) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities thereunder, and to each agent, custodian and other person employed to act hereunder.

36

(j) the Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

Section 9.03 NO RESPONSIBILITY FOR RECITALS, ETC. The recitals contained herein and in the Notes (except in the certificate of authentication) shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Company of any Notes or the proceeds of any Notes authenticated and delivered by the Trustee in conformity with this Indenture.

Section 9.04 TRUSTEE, AUTHENTICATING AGENT, PAYING AGENT OR REGISTRAR MAY OWN NOTES. The Trustee and any Authenticating Agent or paying agent in its individual or other capacity, may become the owner or pledgee of Notes with the same rights it would have if it were not Trustee, Authenticating Agent or paying agent.

Section 9.05 MONEYS TO BE HELD IN TRUST. Subject to Section 5.05 hereof, all moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder, except the Trustee may allow and credit to the Company interest on any money received hereunder at such rate, if any, as may be agreed upon by the Company and the Trustee from time to time as may be permitted by law.

Section 9.06 COMPENSATION AND EXPENSES OF TRUSTEE. The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation as the Company and the Trustee shall from time to time agree in writing (which shall not be limited by any law in regard to the compensation of a trustee of an express trust), and the Company shall pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its counsel and agents, including any Authenticating Agents, and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from the Trustee's negligence or willful misconduct. The Company also covenants to indemnify each of the Trustee or any predecessor and their agents for, and to hold each of them harmless against, any claim, damage, loss, liability, cost or expense incurred without negligence or willful misconduct on the part of the party so indemnified and arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of each such party incurred in defending itself against any claim or liability. The obligations of the Company under this Section 9.06 to compensate the Trustee, to indemnify and to pay or reimburse the Trustee for expenses, disbursements and advances shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Notes upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the Holders of any particular Notes. The provisions of this Section 9.06 shall survive termination of this Indenture and the resignation or removal of the Trustee.

Section 9.07 OFFICERS' CERTIFICATE AS EVIDENCE. Whenever in the administration of this Indenture, the Trustee shall deem it necessary or desirable that a matter be proved or

37

established prior to the taking, suffering or omitting of any action hereunder, such matter (unless other evidence in respect thereof is herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Trustee, and such Officers' Certificate, in the absence of negligence or bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under this Indenture in reliance thereon.

Section 9.08 CONFLICTING INTEREST OF TRUSTEE. The Trustee shall be subject to and shall comply with the provisions of Section 310(b) of the TIA. Nothing in this Indenture shall be deemed to prohibit the Trustee or the Company from making any application permitted pursuant to such section.

Section 9.09 EXISTENCE AND ELIGIBILITY OF TRUSTEE. There shall at all times be a Trustee hereunder which Trustee shall at all times be a corporation organized and doing business under the laws of the United States or any State thereof or of the District of Columbia having a combined capital and surplus of at least \$50,000,000 and which is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by Federal or State authorities. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid authority, then for the purposes of this Section 9.09, the combined capital and surplus shall be deemed to be as set forth in its most recent report of condition so published. No obligor upon the Notes or Person directly or indirectly controlling, controlled by, or under common control with such obligor shall serve as Trustee. If at any time the Trustee shall cease to be eligible in accordance with this Section 9.09, the Trustee shall resign immediately in the manner and with the effect specified in Section 9.10 hereof.

Section 9.10 RESIGNATION OR REMOVAL OF TRUSTEE.

(a) Pursuant to the provisions of this Article, the Trustee may at any time resign and be discharged of the trusts created by this Indenture by giving written notice to the Company specifying the day upon which such resignation shall take effect, and such resignation shall take effect immediately upon the later of the appointment of a successor trustee and such day.

(b) Any Trustee may be removed at any time with respect to the Notes of any series by an instrument or concurrent instruments in writing filed with such Trustee and signed and acknowledged by the Holders of a majority in aggregate principal amount of the then outstanding Notes of such series or by their attorneys in fact duly authorized.

(c) So long as no Event of Default has occurred and is continuing, and no event has occurred and is continuing that, with the giving of notice or the lapse of time or both, would become an Event of Default, the Company may remove any Trustee upon written notice to the Holder of each Note Outstanding and the Trustee and appoint a successor Trustee meeting the requirements of Section 9.09. The Company or the successor Trustee shall give notice to the Holders, in the manner provided in Section 15.10, of such removal and appointment within 30 days of such removal and appointment.

(d) If at any time (i) the Trustee shall cease to be eligible in accordance with Section 9.09 hereof and shall fail to resign after written request therefor by the Company or by any Holder who has been a bona fide Holder for at least six months, (ii) the Trustee shall fail to comply with Section 9.08 hereof after written request therefor by the Company or any such

38

Holder, or (iii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Trustee may be removed forthwith by an instrument or concurrent instruments in writing filed with the Trustee and either:

(1) signed by the Chairman, the President or any Vice President of the Company and attested by the Secretary or an Assistant Secretary of the Company; or

(2) signed and acknowledged by the Holders of a majority in principal amount of outstanding Notes or by their attorneys in fact duly authorized.

(e) Any resignation or removal of the Trustee shall not become effective until acceptance of appointment by the successor Trustee as provided in Section 9.11 hereof.

Section 9.11 APPOINTMENT OF SUCCESSOR TRUSTEE.

(a) If at any time the Trustee shall resign or be removed, the Company, by a Board Resolution, shall promptly appoint a successor Trustee.

(b) The Company shall provide written notice of its appointment of a Successor Trustee to the Holder of each Note Outstanding following any such appointment.

(c) If no appointment of a successor Trustee shall be made pursuant to Section 9.11(a) hereof within 60 days after appointment shall be required, any Noteholder or the retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(d) Any Trustee appointed under this Section 9.11 as a successor Trustee shall be a bank or trust company eligible under Section 9.09 hereof and qualified under Section 9.08 hereof.

Section 9.12 ACCEPTANCE BY SUCCESSOR TRUSTEE.

(a) Any successor Trustee appointed as provided in Section 9.11 hereof shall execute, acknowledge and deliver to the Company and to its predecessor Trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee herein; but nevertheless, on the written request of the Company or of the successor Trustee, the Trustee ceasing to act shall, upon payment of any amounts then due it pursuant to Section 9.06 hereof, execute and deliver an instrument transferring to such successor Trustee all the rights and powers of the Trustee so ceasing to act. Upon request of any such successor Trustee, the Company shall execute any and all instruments in writing in order more fully and certainly to vest in and confirm to such successor Trustee all such rights and powers. Any Trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such Trustee to secure any amounts then due it pursuant to Section 9.06 hereof.

39

(b) No successor Trustee shall accept appointment as provided in this Section 9.12 unless at the time of such acceptance such successor Trustee shall be qualified under Section 9.08 hereof and eligible under Section 9.09 hereof.

(c) Upon acceptance of appointment by a successor Trustee as provided in this Section 9.12, the successor Trustee shall mail notice of its succession hereunder to all Holders of Notes as the names and addresses of such Holders appear on the registry books.

(b) If at the time such successor to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificates of the Trustee shall have; provided that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

For all purposes of this Indenture, the authentication and delivery of Notes by any Authenticating Agent pursuant to this Section 9.15 shall be deemed to be the authentication and delivery of such Notes "by the Trustee." Any such Authenticating Agent shall be a bank or trust company or other Person of the character and qualifications set forth in Section 9.09 hereof.

(b) Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, if such successor corporation is otherwise

40

eligible under this Section 9.15, without the execution or filing of any paper or any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

(c) Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and to the Company. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent shall cease to be eligible under this Section 9.15, the Trustee may, with the written consent of the Company, appoint a successor Authenticating Agent, and upon so doing shall give written notice of such appointment to the Company and shall mail, in the manner provided in Section 15.10, notice of such appointment to the Holders of Notes.

(d) The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and the Trustee shall be entitled to be reimbursed for such payments, in accordance with Section 9.06 hereof.

ARTICLE X

CONCERNING THE NOTEHOLDERS

Section 10.01 ACTION TAKEN BY NOTEHOLDERS. Whenever in this Indenture it is provided that the Holders of a specified percentage in aggregate principal amount of the Notes of any series may take any action, the fact that at the time of taking any such action the Holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by such Noteholders in person or by agent or proxy appointed in writing, (b) by the record of such Noteholders voting in favor thereof at any meeting of Noteholders duly called and held in accordance with Article XI hereof, or (c) by a combination of such instrument or instruments and any such record of such a meeting of Noteholders.

(a) Subject to Sections 9.01, 9.02 and 11.05 hereof, proof of the execution of any instruments by a Noteholder or the agent or proxy for such Noteholder shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee

41

or in such manner as shall be satisfactory to the Trustee. The ownership of Notes shall be proved by the register for the Notes maintained by the Trustee.

(b) The record of any Noteholders' meeting shall be proven in the manner provided in Section 11.06 hereof.

Section 10.03 PERSONS DEEMED ABSOLUTE OWNERS. Subject to Sections 2.04(f) and 10.01 hereof, the Company, the Trustee, any paying agent and any Authenticating Agent shall deem the person in whose name any Note shall be registered upon the register for the Notes to be, and shall treat such person as, the absolute owner of such Note (whether or not such Note shall be overdue) for the purpose of receiving payment of or on account of the principal and premium, if any, and interest on such Note, and for all other purposes; and neither the Company nor the Trustee nor any paying agent nor any Authenticating Agent shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon any such Note to the extent of the sum or sums so paid.

Section 10.04 COMPANY-OWNED NOTES DISREGARDED. In determining whether the Holders of the requisite aggregate principal amount of outstanding Notes of any series have concurred in any direction, consent or waiver under this Indenture, Notes that are owned by the Company or any other obligor on the Notes or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Notes shall be disregarded and deemed not to be outstanding for the purpose of any such determination; provided that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent or waiver, only Notes which a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith to third parties may be regarded as outstanding for the purposes of this Section 10.04 if the pledgee shall establish the pledgee's right to take action with respect to such Notes and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. In the case of a dispute as to such right, the Trustee may rely upon an Opinion of Counsel and an Officers' Certificate to establish the foregoing.

Section 10.05 REVOCATION OF CONSENTS; FUTURE HOLDERS BOUND. Except as may be otherwise required in the case of a Global Note by the applicable rules and regulations of the Depository, at any time prior to the taking of any action by the Holders of the percentage in aggregate principal amount of the Notes of any series specified in this Indenture in connection with such action, any Holder of a Note, which has been included in the Notes the Holders of which have consented to such action may, by filing written notice with the Trustee at the corporate trust office of the Trustee and upon proof of ownership as provided in Section 10.02(a) hereof, revoke such action so far as it concerns such Note. Except as aforesaid, any such action taken by the Holder of any Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note and of any Notes issued in exchange, substitution or upon registration of transfer therefor, irrespective of whether or not any notation thereof is made upon such Note or such other Notes.

Section 10.06 RECORD DATE FOR NOTEHOLDER ACTS. If the Company shall solicit from the Noteholders any request, demand, authorization, direction, notice, consent, waiver or other act, the Company may, at its option, by Board Resolution, fix in advance a record date for the determination of Noteholders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other act, but the Company shall have no obligation to do so. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or

42

other act may be given before or after the record date, but only the Noteholders of record at the close of business on the record date shall be deemed to be Noteholders for the purpose of determining whether Holders of the requisite aggregate principal amount of outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other act, and for that purpose the outstanding Notes shall be computed as of the record date; provided that no such request, demand, authorization, direction, notice, consent, waiver or other act by the Noteholders on the record date shall be deemed effective unless it shall become effective pursuant to this Indenture not later than six months after the record date. Any such record date shall be at least 30 days prior to the date of the solicitation to the Noteholders by the Company.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by the Noteholders as provided in Section 11.03 hereof, in which case the Company or Noteholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by the Holders of a majority in aggregate principal amount of the Notes present in person or by proxy at the meeting.

The principal and interest payments on this Note will be made by the Company to the registered holder named above. All such payments shall be made in such coin or currency of the United States of America as at the time of payment is legally tender for payment of public and private debts.

This Note is one of a duly authorized issue of notes of the Company (herein called the "*Notes*"), issued under an Indenture, dated as of May 1, 2007, as supplemented by Supplemental Indenture No. 1, dated as of June 4, 2007 (herein called the "*Indenture*", which term shall have the meaning assigned to it in such instruments), between the Company and The Bank of New York Trust Company, N.A., as Trustee (herein called the "*Trustee*", which term includes any successor trustee under the Indenture). Reference is made to the Indenture and any supplemental indenture thereto for the provisions relating, among other things, to the respective rights of the Company, the Trustee and the holders of the Notes, and the terms on which the Notes are authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$250,000,000; *provided, however*, that the authorized aggregate principal amount of the Notes may be increased above such amount by a Board Resolution authorizing such increase.

The Company shall have the right to redeem the Notes of this series, at its option, at any time in whole, or from time to time in part, at a redemption price equal to the greater of (i) 100% of the principal amount to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including any portion of such payments of interest accrued as of the date of redemption), discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points; plus, in each case, accrued and unpaid interest on the principal amount of the Notes being redeemed to the redemption date.

For purposes of determining the redemption price:

"*Comparable Treasury Issue*" means the United States Treasury security selected by the Quotation Agent as having a maturity comparable to the remaining term of the 2017 Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the 2017 Notes.

"*Comparable Treasury Price*" means, with respect to any redemption date, (1) the average of four Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Quotation Agent obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations, or (3) if only one such Reference Treasury Dealer Quotation is received, such quotation.

"*Quotation Agent*" means a Reference Treasury Dealer appointed by the Company.

"*Reference Treasury Dealer*" means (1) Banc of America Securities LLC (or its affiliate that is a primary U.S. government securities dealer ("*Primary Treasury Dealer*")) and one other Primary Securities Dealer selected by Wachovia Capital Markets, LLC, or their respective successors, provided, however, that if either of the foregoing shall cease to be a Primary Treasury Dealer, the Company will substitute therefor another Primary Treasury Dealer and (2) two other Primary Treasury Dealers selected by the Company.

"*Reference Treasury Dealer Quotations*" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Quotation Agent, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third business day preceding such redemption date.

"*Treasury Rate*" means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

If an Event of Default shall have occurred and be continuing with respect to the Notes, the principal hereof may be declared, and upon such declaration shall become, due and payable, in the manner, with such effect and subject to the conditions provided in the Indenture. Any such declaration may be rescinded by holders of a majority in principal amount of the outstanding Notes if all Events of Default with respect to the Notes (other than the non-payment of principal of the Notes which shall have become due by such declaration) shall have been remedied.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to the Indenture or to any supplemental indenture with respect to the Notes, or modifying in any manner the rights of the holders of the Notes; provided, however, that no such supplemental indenture shall (i) change the Stated Maturity of any Notes, or reduce the rate

thereon or extend the time of payment of interest thereon, or reduce the principal amount thereof or any premium thereon, or change the coin or currency in which principal of any Note or any premium or interest thereon is payable, or change the date on which any Note may be redeemed or adversely affect the rights of a holder to institute suit for the enforcement of any payment of principal or any premium or interest on any Note, in each case, without the consent of each holder of each Note so affected, or (ii) reduce the aforesaid principal amount of the Notes, the holders of which are required to consent to any such supplemental indenture, or to reduce the percentage of Notes, the holders of which are required to waive Events of Default, in each case without the consent of the holders of all Notes affected thereby then outstanding. The Indenture also contains provisions permitting the holders of not less than a majority in aggregate principal amount of the Notes of any series at the time outstanding, evidenced as in the Indenture provided, to waive on behalf of all of the holders of the Notes of such series certain past defaults under the Indenture and their consequences.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Note at the times, place and rate, and in the coin or currency, herein provided.

This Note is issuable as a registered Note only, in the denomination of \$1,000 and any integral multiples of \$1,000 approved by the Company, such approval to be evidenced by the execution thereof.

As provided in the Indenture, this Note is transferable by the registered holder hereof in person or by his attorney duly authorized in writing on the books of the Company at the office or agency to be maintained by the Company for that purpose. Upon any registration of transfer, a new registered Note or Notes, of authorized denomination or denominations, and in the same aggregate principal amount, will be issued to the transferee in exchange therefore.

The Company, the Trustee, any paying agent and any Note Registrar may deem and treat the registered holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue and notwithstanding any notations of ownership or other writing hereof made by anyone other than the Note Registrar) for the purpose of receiving payment of or on account of the principal hereof and interest due hereon as herein provided and for all other purposes, and neither the Company nor the Trustee nor any paying agent nor any Note Registrar shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any incorporator or against any past, present or future stockholder, officer or member of the Board of Directors, as such, of the Company, whether by virtue of any constitution, state or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as party of the consideration for the issue hereof, expressly waived and released.

This Note shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with the laws of the State of New York.

All terms used in this Note which are defined in the Indenture and not defined herein shall have the meaning assigned to them in the Indenture.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the certificate of authentication on the face hereof is manually signed by the Trustee.

Re: \$250,000,000 aggregate principal amount of 5.85% Notes due 2017

Ladies and Gentlemen:

We have acted as counsel to Kansas City Power & Light Company, a Missouri corporation (the "Company"), in connection with the issuance and sale by the Company of \$250,000,000 aggregate principal amount of 5.85% Notes due June 15, 2017 (the "Notes"), covered by the Registration Statement on Form S-3, No. 333-108215 (the "Registration Statement"), filed by the Company with the Securities and Exchange Commission ("SEC") on August 26, 2003, under the Securities Act of 1933, as amended.

The Notes were issued under the Company's Indenture dated as of May 1, 2007 (the "Indenture") between the Company and The Bank of New York Trust Company, N.A., as Trustee, which Indenture is governed by New York law, and sold by the Company pursuant to the Underwriting Agreement dated May 30, 2007 between the Company and Banc of America Securities LLC and Wachovia Capital Markets, LLC, as representatives of the several underwriters named therein.

For the purpose of expressing the opinions and statements in this opinion letter, we have examined and relied upon a copy of the Registration Statement and the exhibits filed therewith. We have also examined originals, or copies of originals certified to our satisfaction, of such agreements, documents, certificates of officers of the Company and the Trustee and statements of government officials and other instruments, and have examined such questions of law and have satisfied ourselves as to such matters of fact, as we have considered relevant and necessary as a basis for this opinion letter. Based on the foregoing, and subject to the limitations hereinafter set forth, we are of the opinion that the Notes are legally issued and binding obligations of the Company enforceable against the Company in accordance with their respective terms (except to the extent enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other similar laws affecting the enforcement of creditors' rights generally and by the effect of general principles of equity, regardless of whether considered in a proceeding in equity or at law).
