EVERYBODY'S
TALKING ABOUT
WESTERN RESOURCES'
OFFER TO KCPL.

HERE'S WHAT THE EXPERTS HAVE TO SAY.

Edward Tirello, NatWest Securities Corporation,
December 22, 1995

"We regard Western Resources' management among the most innovative in the industry, a characteristic that will become increasingly important as the industry becomes more competitive."

Barry M. Abramson, CFA, Prudential Securities,
April 23, 1996

"Western Resources has a proven track record of successfully working

through utility mergers in the recent past in a way that creates shareholder value and benefits for ratepayers. Because of this, we have a great deal of confidence that the management can accomplish similar success in a merger with KLT [KCPL]."

Dan Scotto, Bear, Stearns & Co., Inc.,
April 15, 1996

"UtiliCorp (UCU) carries the most downside for KLT (KCPL). We anticipate a BBB+ rating under this scenario because: (1) UCU has weaker financials; and (2) has fewer operating synergies. Shareholders will undoubtedly find the (WR/KCPL) \$1.23 per share premium attractive and regulators will undoubtedly be lured by the \$1.043 billion expense savings (1/3 of which will be passed on to customers)."

Western Resources has filed exchange offer materials with the Securities and Exchange Commission and intends to make its offer directly to shareholders of KCPL as soon as its registration statement has been declared effective by the S.E.C.

Western believes its offer is financially superior to the proposed merger between UtiliCorp United and KCPL which you will be asked to vote upon at the KCPL shareholders meeting on May 22, 1996. We intend to solicit proxies from KCPL shareholders in opposition to the UtiliCorp merger vote.
