WESTERN RESOURCES ANNOUNCES PLANS TO REPURCHASE DEBT

TOPEKA, Kansas, April 7, 2000 - Western Resources today announced that it may from time-to-time purchase its debt securities and preferred stock. The timing and terms of purchases, and the amount of debt actually purchased, will be determined by the company based on market conditions and other factors. Purchases are expected to be made in the open market or through negotiated transactions.

"We believe our debt is undervalued in the marketplace and this provides us an opportunity to purchase the debt at an attractive price," said David C. Wittig, Western Resources chairman of the board, president and chief executive officer.

This announcement is not a request nor an offer for tender of Western Resources debt.
