Ladies and Gentlemen:

Every Metro, Inc., a Missouri corporation (the “**Company**”), proposes to issue and sell to the several underwriters named in Schedule A hereto (the “**Underwriters**”), acting severally and not jointly, the respective amounts set forth in Schedule A hereto of \$300,000,000 aggregate principal amount of the Company’s 5.40% Mortgage Bonds, Series 2024 due 2034 (the “**Mortgage Bonds**”). MUFG Securities Americas Inc., PNC Capital Markets LLC, Regions Securities LLC and Truist Securities, Inc. have agreed to act as representatives of the several Underwriters (in such capacity, the “**Representatives**”) in connection with the offering and sale of the Mortgage Bonds.

The Mortgage Bonds will be issued pursuant to and secured by the General Mortgage Indenture and Deed of Trust, dated as of December 1, 1986, between the Company (formerly known as Kansas City Power & Light Company) and UMB Bank, N.A. (formerly United Missouri Bank of Kansas City, N.A.), as trustee (the “**Trustee**”), as amended and supplemented by twenty indentures supplemental thereto (such Mortgage Indenture and Deed of Trust, as heretofore amended and supplemented, the “**Base Mortgage Indenture**”). Certain terms of the Mortgage Bonds will be established pursuant to the twenty-first supplemental indenture dated as of April 5, 2024 (the “**Supplemental Indenture**” and, together with the Base Mortgage Indenture, the “**Mortgage Indenture**”) in accordance with Article Fifteen of the Base Mortgage Indenture. The Mortgage Bonds will be issued in book-entry form in the name of Cede & Co., as nominee of The Depository Trust Company (the “**Depository**”), pursuant to the Company’s Blanket Letter of Representations, dated May 12, 2020, to the Depository (the “**DTC Agreement**”).

The Company has prepared and filed with the Securities and Exchange Commission (the “**Commission**”) a registration statement on Form S-3 (File No. 333-259245-01) to be used in connection with the public offering and sale of debt securities, including the Mortgage Bonds, of the Company. Such registration statement, including the financial statements, exhibits and schedules thereto, in the form in which it became effective under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the “**Securities Act**”), including any required information deemed to be a part of the registration statement at the time of effectiveness pursuant to Rule 430B of the Securities Act, is called the “**Registration Statement**.” The term “**Base Prospectus**” shall mean the base prospectus dated September 1, 2021 relating to the Mortgage Bonds. The term “**Preliminary Prospectus**” shall mean any preliminary prospectus supplement relating to the Mortgage Bonds, together with the Base Prospectus, that is filed with the Commission pursuant to Rule 424(b) of the Securities Act (“**Rule 424(b)**”). The term “**Prospectus**” shall mean the final prospectus supplement relating to the Mortgage Bonds, together with the Base Prospectus, that is first filed pursuant to Rule 424(b) after the date and time that this Agreement is executed (the “**Execution Time**”) and delivered by the parties hereto. Any reference herein to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents that are or are deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 of the Securities Act prior to 2:55 p.m. (Eastern time) on April 1, 2024 (the “**Initial Sale Time**”). All references in this Agreement to the Registration Statement, any Preliminary Prospectus, the Prospectus, or any amendments or supplements to any of the foregoing, shall include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System (“**EDGAR**”).

All references in this Agreement to financial statements and schedules and other information that is “contained,” “included” or “stated” (or other references of like import) in the Registration Statement, the Prospectus or any Preliminary Prospectus shall be deemed to mean and include all such financial statements and schedules and other information that is or is deemed to be incorporated by reference in the Registration Statement, the Prospectus or any Preliminary Prospectus, as the case may be, prior to the Initial Sale Time; and all references in this Agreement to amendments or supplements to the Registration Statement, the Prospectus or any Preliminary Prospectus shall be deemed to include the filing of any document under the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (collectively, the “**Exchange Act**”), which is or is deemed to be incorporated by reference in the Registration Statement, the Prospectus or any Preliminary Prospectus, as the case may be, after the Initial Sale Time.

The Company hereby confirms its agreements with the Underwriters as follows:

SECTION 1. Representations and Warranties of the Company.

The Company hereby represents, warrants and covenants to each Underwriter as of the date hereof, as of the Initial Sale Time and as of the Closing Date (as such term is defined herein) (in each case, a “**Representation Date**”), as follows:

(a) *Well-Known Seasoned Issuer.* (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Securities Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the Securities Act) made any offer relating to the Mortgage Bonds in reliance on the exemption of Rule 163 of the Securities Act, and (iv) as of the Execution Time (with such date being used as the determination date for purposes of this clause (iv)), the Company was and is a “well-known seasoned issuer” (as such term is defined in Rule 405 of the Securities Act (“**Rule 405**”). The Registration Statement is an “automatic shelf registration statement” (as such term is defined in Rule 405), the Company has not received from the Commission any notice pursuant to Rule 401(g)(2) of the Securities Act (“**Rule 401(g)(2)**”) objecting to use of the automatic shelf registration statement form and the Company has not otherwise ceased to be eligible to use the automatic shelf registration statement form.

(b) *Compliance with Registration Requirements.* The Company meets the requirements for use of Form S-3 of the Securities Act and the Mortgage Bonds have been duly registered under the Securities Act pursuant to the Registration Statement. The Registration Statement has become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement has been issued under the Securities Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated or threatened by the Commission, and any request on the part of the Commission for additional information has been complied with. The Registration Statement was initially filed with the Commission on September 1, 2021. In addition, the Mortgage Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended, and the rules and regulations promulgated thereunder (the “**Trust Indenture Act**”).

At the respective times the Registration Statement and any post-effective amendments thereto became effective and at each Representation Date, the Registration Statement and any amendments thereto (i) complied and will comply in all material respects with the requirements of the Securities Act and the Trust Indenture Act, and (ii) did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. Neither the Prospectus nor any amendments or supplements thereto, at the time the Prospectus or any such amendment or supplement was issued and at the Closing Date, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light

of the circumstances under which they were made, not misleading. Notwithstanding the foregoing, the representations and warranties in this Section 1(b) shall not apply to (A) that part of the Registration Statement that constitutes the Statement of Eligibility on Form T-1 of the Trustee under the Trust Indenture Act or (B) statements in or omissions from the Registration Statement or any post-effective amendment or the Prospectus or any amendments or supplements thereto made in reliance upon and in conformity with information furnished to the Company in writing by any Underwriter through the Representatives expressly for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 7(b) hereof.

Each Preliminary Prospectus and the Prospectus, at the time each was filed with the Commission, complied in all material respects with the Securities Act, and each Preliminary Prospectus and the Prospectus delivered to the Underwriters for use in connection with the offering of the Mortgage Bonds will, at the time of such delivery, be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by the Commission's Regulation S-T.

(c) *Disclosure Package*. The term “**Disclosure Package**” shall mean (i) the Preliminary Prospectus dated April 1, 2024, (ii) each Issuer Free Writing Prospectus (as such term is defined below) identified as an “Issuer General Use Free Writing Prospectus” in Annex I hereto (each, an “**Issuer General Use Free Writing Prospectus**”) and (iii) any other free writing prospectus that the parties hereto shall hereafter expressly agree in writing to treat as part of the Disclosure Package. The term “**Issuer Free Writing Prospectus**” shall mean any “issuer free writing prospectus” (as such term is defined in Rule 433 of the Securities Act (“**Rule 433**”)) relating to the Mortgage Bonds that (A) is required to be filed with the Commission by the Company or (B) is a “road show that is a written communication” within the meaning of Rule 433(d)(8)(i), whether or not required to be filed with the Commission, in each case in the form filed or required to be filed with the Commission or, if not required to be so filed, in the form retained in the Company's records pursuant to Rule 433(g). The term “**Issuer Limited Use Free Writing Prospectus**” shall mean any Issuer Free Writing Prospectus that is not an Issuer General Use Free Writing Prospectus as identified in Annex I hereto. At the Initial Sale Time, neither (1) the Disclosure Package nor (2) any individual Issuer Limited Use Free Writing Prospectus, when considered with the Disclosure Package, included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package or any Issuer Limited Use Free Writing Prospectus based upon and in conformity with information furnished to the Company in writing by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 7(b) hereof.

(d) *Incorporated Documents*. The documents incorporated or deemed to be incorporated by reference in the Registration Statement, any Preliminary Prospectus and the Prospectus (i) at the time they were or hereafter are filed with the Commission, complied or will comply in all material respects with the requirements of the Exchange Act and (ii) when read together with the other information in the Disclosure Package, at the Initial Sale Time, and when read together with the other information in the Prospectus, at the date of the Prospectus and at the Closing Date, did not or will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(e) *Not an Ineligible Issuer.* (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant makes a *bona fide* offer (within the meaning of Rule 164(h)(2) of the Securities Act) of the Mortgage Bonds and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not or is not an “ineligible issuer” (as such term is defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered such an ineligible issuer.

(f) *Issuer Free Writing Prospectuses.* Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offering and sale of Mortgage Bonds or until any earlier date that the Company notified or notifies the Representatives as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement, any Preliminary Prospectus or the Prospectus. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, any Preliminary Prospectus or the Prospectus, the Company has promptly notified or will promptly notify the Representatives and has promptly amended or supplemented or will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with information furnished to the Company in writing by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 7(b) hereof.

(g) *No Applicable Registration or Other Similar Rights.* There are no persons with registration or other similar rights to have any equity or debt securities registered for sale under the Registration Statement or included in the offering contemplated by this Agreement, except for such rights as have been duly waived.

(h) *Due Incorporation and Qualification.* The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the state of Missouri with corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Disclosure Package and the Prospectus and to enter into and perform its obligations under this Agreement, the Mortgage Indenture and the Mortgage Bonds; and the Company is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify and be in good standing would not result in a Material Adverse Change (as defined herein).

(i) *Subsidiaries.* Evergy Metro Receivables Company (the “**Subsidiary**”) is the only subsidiary of the Company with active operations. The Subsidiary has been duly incorporated and is validly existing as a corporation in good standing under the laws of its jurisdiction of incorporation, has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Disclosure Package and the Prospectus and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not result in a Material Adverse Change; except as otherwise disclosed in the Disclosure Package and the Prospectus, all of the issued and outstanding shares of capital stock of the Subsidiary have been duly authorized and validly issued, are fully paid and non-assessable and are owned directly by the Company free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity; and none of the outstanding shares of capital stock of the Subsidiary was issued in violation of preemptive or other similar rights of any securityholder of the Subsidiary. The Company has no “significant subsidiaries” (as such term is defined in Rule 1-02 of the Commission’s Regulation S-X).

(j) *Capitalization.* The authorized, issued and outstanding capital stock of the Company is as set forth in the Disclosure Package and the Prospectus. The shares of issued and outstanding capital stock of the Company have been duly authorized and validly issued and are fully paid and non-assessable; none of the outstanding shares of capital stock of the Company was issued in violation of preemptive or other similar rights of any securityholder of the Company.

(k) *Accountants.* The accountants who issued their reports on the financial statements of the Company included or incorporated by reference in the Disclosure Package and the Prospectus are an independent registered public accounting firm with respect to the Company, as required by the Securities Act, the Exchange Act and the Public Company Accounting Oversight Board (United States).

(l) *Financial Statements.* The financial statements and any supporting schedules of the Company included or incorporated by reference in the Registration Statement, the Disclosure Package and the Prospectus present fairly, in all material respects, the financial position of the Company as of the dates indicated and the results of its operations and cash flows for the periods specified; except as stated therein, such financial statements have been prepared in conformity with generally accepted accounting principles in the United States (“**GAAP**”) applied on a consistent basis; and any supporting schedules included in the Registration Statement present fairly, in all material respects, the information required to be stated therein. The selected financial data and the summary financial information included or incorporated by reference in the Disclosure Package and the Prospectus present fairly, in accordance with GAAP, the information shown therein and have been compiled on a basis consistent with that of the audited financial statements included or incorporated by reference in the Registration Statement, the Disclosure Package and the Prospectus.

(m) *Authorization of the Underwriting Agreement.* This Agreement has been duly authorized, executed and delivered by the Company.

(n) *Authorization of the Mortgage Indenture.* The Mortgage Indenture has been duly qualified under the Trust Indenture Act and has been duly authorized; the Base Mortgage Indenture has been and, at the Closing Date, the Supplemental Indenture will be duly executed and delivered by the Company; and the Base Mortgage Indenture constitutes and, at the Closing Date, the Mortgage Indenture will constitute a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting enforcement of mortgagees' or other creditors' rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law); *provided*, however, that certain remedial provisions of the Mortgage Indenture may not be enforceable, but such unenforceability will not render the Mortgage Indenture invalid as a whole or affect the judicial enforcement of (i) the obligation of the Company to repay the principal of the Mortgage Bonds, together with the interest and any premium thereon, as provided in the Mortgage Bonds, (ii) the acceleration of the obligation of the Company to repay such principal, together with such interest and premium, based upon a material default by the Company in the payment of such principal, interest or premium or (iii) the right of the Trustee to exercise its right to foreclose under the Mortgage Indenture.

(o) *Accurate Tax Disclosure.* The factual statements set forth in the Disclosure Package and the Prospectus under the caption "Material U.S. Federal Income Tax Considerations" are accurate in all material respects and fairly present the information provided.

(p) *Authorization of the Mortgage Bonds.* The Mortgage Bonds to be purchased by the Underwriters from the Company are in the form contemplated by the Mortgage Indenture, have been duly authorized for issuance and sale pursuant to this Agreement and the Mortgage Indenture and, at the Closing Date, will have been duly executed by the Company and, when authenticated in the manner provided for in the Mortgage Indenture and delivered against payment of the purchase price therefor, will be validly issued and delivered and will constitute valid and binding obligations of the Company, enforceable in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting enforcement of mortgagees' or other creditors' rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law) and will be entitled to the benefits of the Mortgage Indenture.

(q) *Recordation of the Mortgage Indenture.* The Mortgage Indenture (not including the Supplemental Indenture) has been duly filed for recordation and otherwise filed, indexed or cross-indexed in such manner and in such places as is required by law in order to give constructive notice of, and establish, preserve and protect, the lien of the Mortgage Indenture on the Mortgaged Property (as such term is defined in the Mortgage Indenture), and all taxes payable to any state or subdivision thereof in connection with the execution, delivery or recordation of the Mortgage Indenture or the execution, authentication, issuance and delivery of the Mortgage Bonds and outstanding general mortgage bonds thereunder have been paid.

(r) *Title to Property.* Except as to property acquired subsequent to the execution and delivery of the Supplemental Indenture, the Company has good and sufficient title to, or a satisfactory easement in, the Mortgaged Property (except such property as may have been disposed of or released from the lien thereof in accordance with the terms thereof), subject only to (i) the lien of the Mortgage Indenture, (ii) exceptions and reservations specifically set forth therein, (iii) Permissible Encumbrances (as such term is defined in the Mortgage Indenture), (iv) leases and minor liens of judgments not prior to the lien of the Mortgage Indenture that do not interfere with the Company's business, (v) defects, irregularities and deficiencies in titles of properties and rights-of-way that do not materially impair the use of such property and rights-of-way for the purposes for which they are held by the Company and (vi) matters specified in the Disclosure Package and the Prospectus under the caption "Description of General Mortgage Bonds—Security and Priority."

(s) *Lien of Mortgage.* The Mortgage Indenture, subject only to the qualifications set forth in Section 1(r) hereof and to such other matters as do not materially affect the security for the Mortgage Bonds, constitutes a valid, direct first mortgage lien upon the Mortgaged Property, which includes substantially all of the fixed property of the Company and the franchises and permits of the Company pertaining to the operation of such property, and all property (to the extent such property constitutes Mortgaged Property) acquired by the Company after the execution and delivery of the Supplemental Indenture will, upon such acquisition, become subject to the lien of the Mortgage Indenture to the extent provided therein, subject, however, to Permissible Encumbrances, to liens, if any, existing or placed thereon at the time of the acquisition thereof by the Company and to any rights or equities of others attaching under applicable local law in the absence of notice of the lien of the Mortgage Indenture by filing, recordation or otherwise.

(t) *Description of the Mortgage Bonds and the Mortgage Indenture.* The Mortgage Bonds and the Mortgage Indenture conform in all material respects to the descriptions thereof contained in the Disclosure Package and the Prospectus.

(u) *Material Changes or Material Transactions.* Since the respective dates as of which information is given in the Registration Statement, the Disclosure Package and the Prospectus, except as may otherwise be stated therein or contemplated thereby, (i) there has been no material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business (a “**Material Adverse Change**”), and (ii) there have been no transactions entered into by the Company and its subsidiaries considered as one enterprise (other than those in the ordinary course of business) that are material with respect to the Company and its subsidiaries considered as one enterprise.

(v) *No Defaults.* Neither the Company nor the Subsidiary is in violation of its articles of incorporation, charter or by-laws. Except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change, neither the Company nor the Subsidiary is in default in the performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, loan agreement, note, lease or other instrument to which the Company or the Subsidiary is a party or by which it or any of them may be bound, or to which any of the property or assets of the Company or the Subsidiary is subject (each, an “**Agreement or Instrument**” and, collectively, the “**Agreements and Instruments**”). The execution and delivery of this Agreement, the Mortgage Indenture and the Mortgage Bonds and the consummation of the transactions contemplated herein and therein have been duly authorized by all necessary corporate action and do not and will not conflict with or constitute a breach of, or default under, or result in the creation or imposition of any lien, charge or encumbrance (except pursuant to the terms of the Mortgage Indenture) upon any property or assets of the Company or the Subsidiary pursuant to, any material Agreements and Instruments, nor will such action result in any violation of the provisions of the articles of incorporation, charter or by-laws, as they may be then amended or in effect, of the Company or the Subsidiary or any applicable law, administrative regulation or administrative or court order or decree.

(w) *Regulatory Approvals*. The Company has made all necessary filings and obtained all necessary consents, orders or approvals in connection with the issuance and sale of the Mortgage Bonds or will have done so by the time the Mortgage Bonds shall be issued and sold, and no consent, approval, authorization, order or decree of any other court or governmental agency or body is required for the consummation by the Company of the transactions contemplated by this Agreement, except such as may be required under state securities laws.

(x) *Legal Proceedings; Contracts*. Except as may be set forth, incorporated or deemed incorporated by reference in the Disclosure Package and the Prospectus, there is no action, suit or proceeding before or by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Company, threatened against or affecting, the Company or its subsidiaries that would reasonably be expected to result in any Material Adverse Change, or might materially and adversely affect its properties or assets or would reasonably be expected to materially and adversely affect the consummation of the transactions contemplated by this Agreement; and there are no contracts or documents that are required to be filed as exhibits to the Registration Statement by the Securities Act that have not been so filed.

(y) *Franchises*. The Company and the Subsidiary hold, to the extent required, valid and subsisting franchises, licenses and permits authorizing them to carry on the regulated utility businesses in which they are engaged in the territories from which substantially all of the Company's consolidated gross operating revenue is derived, except where the failure to hold such franchises, licenses and permits would not result in a Material Adverse Change.

(z) *Environmental Laws*. Except as described, incorporated or deemed incorporated by reference in the Disclosure Package and the Prospectus, and except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change, (i) neither the Company nor the Subsidiary is in violation of any federal, state, local or foreign statute, law, rule, regulation, ordinance, code, policy or rule of common law or any judicial or administrative interpretation thereof, including any judicial or administrative order, consent, decree or judgment, relating to pollution or protection of human health, the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata) or wildlife, including, without limitation, laws and regulations relating to the release or threatened release of chemicals, pollutants, contaminants, wastes, toxic substances, hazardous substances, petroleum or petroleum products, asbestos-containing materials or mold (collectively, "**Hazardous Materials**") or to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials (collectively, "**Environmental Laws**"), (ii) the Company and the Subsidiary have all permits, authorizations and approvals required under any applicable Environmental Laws and are each in compliance with their requirements, (iii) there are no pending or, to the knowledge of the Company, threatened administrative, regulatory or judicial actions, suits, demands, demand letters, claims, liens, notices of noncompliance or violation, investigation or proceedings relating to any Environmental Law against the Company or the Subsidiary and (iv) there are no events or circumstances that would reasonably be expected to form the basis of an order for clean-up or remediation, or an action, suit or proceeding by any private party or governmental body or agency, against or affecting the Company or the Subsidiary relating to Hazardous Materials or any Environmental Laws.

(f) *Blue Sky Compliance.* The Company shall cooperate with the Representatives and counsel for the Underwriters to qualify or register the Mortgage Bonds for sale under (or obtain exemptions from the application of) the state securities or blue sky laws of those jurisdictions designated by the Representatives, shall comply with such laws and shall continue such qualifications, registrations and exemptions in effect so long as required for the distribution of the Mortgage Bonds. The Company shall not be required to qualify to transact business or to take any action that would subject it to general service of process in any such jurisdiction where it is not presently qualified or where it would be subject to taxation as a foreign business. The Company will advise the Representatives promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Mortgage Bonds for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Company shall use every reasonable effort to obtain the withdrawal thereof at the earliest possible moment.

(i) *Recordation of the Supplemental Indenture.* The Company shall have caused the Supplemental Indenture to be recorded in the offices of the Secretary of State in the States of Kansas and Missouri, which are the only recordations required in order to give constructive notice of, and establish, preserve and protect, the lien of the Mortgage Indenture on all properties of the Company of every kind described in and purported to be conveyed by the Mortgage Indenture.

(j) *Additional Documents.* On or before the Closing Date, the Representatives and counsel for the Underwriters shall have received such information, documents and opinions as they may reasonably require for the purposes of enabling such counsel to pass upon the issuance and sale of the Mortgage Bonds as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

If any condition specified in this Section 5 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representatives by notice to the Company at any time on or prior to the Closing Date, which termination shall be without liability on the part of any party to any other party, except that Section 4, Section 6, Section 7, Section 8 and Section 16 hereof shall at all times be effective and shall survive such termination.

SECTION 6. Reimbursement of Underwriters' Expenses. If this Agreement is terminated by the Representatives pursuant to Section 5, Section 10(i) or Section 10(iv) hereof, the Company agrees to reimburse the Representatives and the other Underwriters, severally, upon demand for all out-of-pocket expenses that shall have been reasonably incurred by the Representatives and the Underwriters in connection with the proposed purchase and the offering and sale of the Mortgage Bonds, including, without limitation, fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges.

SECTION 7. Indemnification.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its directors, officers, employees and agents, and each person, if any, who controls any Underwriter within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which such Underwriter, director, officer, employee, agent or controlling person may become subject, insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment or supplement thereto, including any information deemed to be a part thereof pursuant to Rule 430B of the Securities Act, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) any untrue statement or alleged untrue statement of a material fact included in any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse each Underwriter, its officers, directors, employees, agents and controlling persons for any and all expenses (including the reasonable fees and disbursements of counsel chosen by the Representatives) as such expenses are reasonably incurred by such Underwriter, officer, director, employee, agent or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; *provided*, however, that the foregoing indemnity agreement shall not apply to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information furnished in writing to the Company by any Underwriter through the Representatives expressly for use in the Registration Statement, any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), it being understood and agreed that the only such information consists of the information described in Section 7(b) hereof. The indemnity agreement set forth in this Section 7(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) *Indemnification of the Company, its Directors and Officers.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company, or any such director, officer or controlling person may become subject, insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment or supplement thereto, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, and only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, such Preliminary Prospectus, such Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), in reliance upon and in conformity with information furnished in writing to the Company by any Underwriter through the Representatives expressly for use therein; and to reimburse the Company, such director, officer or controlling person for any and all expenses (including the reasonable fees and disbursements of counsel chosen by the Company) as such expenses are reasonably incurred by the Company, such director, officer or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. The Company hereby acknowledges that the only information that the Underwriters have furnished to the Company in writing expressly for use in the Registration Statement, any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto) are the statements set forth in the third paragraph, the third sentence of the seventh paragraph and the eighth paragraph, each under the caption "Underwriting" in the Prospectus. The indemnity agreement set forth in this Section 7(b) shall be in addition to any liabilities that each Underwriter may otherwise have.

(c) *Notifications and Other Indemnification Procedures.* Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 7, notify the indemnifying party in writing of the commencement thereof; but the failure to so notify the indemnifying party (i) will not relieve it from liability under Section 7(a) or 7(b) hereof unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any liability other than the indemnification obligation provided in Section 7(a) or 7(b) hereof. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in, and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party; *provided*, however, such indemnified party shall have the right to employ its own counsel in any such action and to participate in the defense thereof, but the fees and expenses of such

counsel shall be at the expense of such indemnified party, unless (i) the employment of such counsel has been specifically authorized by the indemnifying party, (ii) the indemnifying party has failed promptly to assume the defense and employ counsel reasonably satisfactory to the indemnified party or (iii) the named parties to any such action (including any impleaded parties) include both such indemnified party and the indemnifying party or any affiliate of the indemnifying party, and such indemnified party shall have reasonably concluded that either (x) there may be one or more legal defenses available to it that are different from or additional to those available to the indemnifying party or such affiliate of the indemnifying party or (y) a conflict may exist between such indemnified party and the indemnifying party or such affiliate of the indemnifying party (it being understood, however, that the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (in addition to a single firm of local counsel) for all such indemnified parties, which firm shall be designated in writing by (i) the Representatives, in the case of indemnification pursuant to Section 7(a) hereof or (ii) the Company, in the case of indemnification pursuant to Section 7(b) hereof, and that all such reasonable fees and expenses shall be reimbursed as they are incurred).

(d) *Settlements*. The indemnifying party under this Section 7 shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there is a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by Section 7(c) hereof, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (A) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (B) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

SECTION 8. Contribution. If the indemnification provided for in Section 7 hereof is for any reason unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Mortgage Bonds pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by

applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions that resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Mortgage Bonds pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Mortgage Bonds pursuant to this Agreement (before deducting expenses) received by the Company, and the total underwriting discount received by the Underwriters, in each case as set forth on the front cover page of the Prospectus bear to the aggregate initial public offering price of the Mortgage Bonds as set forth on such cover. The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Underwriters, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 7(c) hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 7(c) hereof with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 8; *provided*, however, that no additional notice shall be required with respect to any action for which notice has been given under Section 7(c) hereof for purposes of indemnification.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in this Section 8.

Notwithstanding the provisions of this Section 8, no Underwriter shall be required to contribute any amount in excess of the underwriting discount received by such Underwriter in connection with the Mortgage Bonds underwritten by it and distributed to the public. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 8 are several, and not joint, in proportion to their respective underwriting commitments as set forth opposite their names in Schedule A hereto. For purposes of this Section 8, each director, officer, employee and agent of an Underwriter and each person, if any, who controls an Underwriter within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement and each person, if any, who controls the Company within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company.

SECTION 9. Default of One or More of the Several Underwriters. If, on the Closing Date, any one or more of the several Underwriters shall fail or refuse to purchase Mortgage Bonds that it or they have agreed to purchase hereunder on such date (the “**Defaulted Securities**”), then the Representatives shall have the right, within 36 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the aggregate principal amount of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth.

If, however, the Underwriters shall not have completed such arrangements within such 36-hour period, and if the aggregate principal amount of the Defaulted Securities does not exceed 10% of the aggregate principal amount of Mortgage Bonds to be purchased on such date, the non-defaulting Underwriters shall be obligated, severally, in the proportion to the aggregate principal amount of the Mortgage Bonds set forth opposite their respective names on Schedule A hereto bears to the aggregate principal amount of such Mortgage Bonds set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as may be specified by the Representatives with the consent of the non-defaulting Underwriters, to purchase such Mortgage Bonds that such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date.

If, on the Closing Date, any one or more of the Underwriters shall fail or refuse to purchase such Mortgage Bonds and the aggregate principal amount of such Mortgage Bonds with respect to which such default occurs exceeds 10% of the aggregate principal amount of Mortgage Bonds to be purchased on such date, and arrangements satisfactory to the Representatives and the Company for the purchase of such Mortgage Bonds are not made within 48 hours after such default, this Agreement shall terminate without liability of any party to any other party except that the provisions of Section 4, Section 7, Section 8 and Section 16 hereof shall at all times be effective and shall survive such termination.

In any such case, either the Representatives or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days in order that the required changes, if any, to the Registration Statement, each Issuer Free Writing Prospectus, each Preliminary Prospectus or the Prospectus or any other documents or arrangements may be effected.

As used in this Agreement, the term “**Underwriter**” shall be deemed to include any person substituted for a defaulting Underwriter under this Section 9. Any action taken under this Section 9 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

SECTION 10. Termination of this Agreement. Prior to the Closing Date, this Agreement may be terminated by the Representatives by notice given to the Company if at any time: (i) trading or quotation in any of the Company’s securities shall have been suspended or materially limited by the New York Stock Exchange or the Commission, or trading in securities generally on the NASDAQ Global Market or the New York Stock Exchange shall have been suspended or materially limited, or minimum or maximum prices shall have been generally established on either of such stock exchanges by the Commission or FINRA; (ii) a general banking moratorium shall have been declared by any federal or New York authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any

material adverse change in the United States or international financial markets, or any change or development involving a prospective substantial change in United States' or international political, financial or economic conditions, as in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Mortgage Bonds in the manner and on the terms described in the Disclosure Package or the Prospectus or to enforce contracts for the sale of securities; (iv) in the judgment of the Representatives, there shall have occurred any Material Adverse Change; or (v) there shall have occurred a material disruption in commercial banking or securities settlement or clearance services in the United States. Any termination pursuant to this Section 10 shall be without liability on the part of (A) the Company to any Underwriter, except that the Company shall be obligated to reimburse the expenses of the Representatives and the Underwriters pursuant to Section 4 and Section 6 hereof, (B) any Underwriter to the Company or (C) any party hereto to any other party except that the provisions of Section 7, Section 8 and Section 16 hereof shall at all times be effective and shall survive such termination.

SECTION 11. No Fiduciary Duty; No Advisory or Fiduciary Responsibility. The Company acknowledges and agrees that: (i) the purchase and sale of the Mortgage Bonds pursuant to this Agreement, including the determination of the public offering price of the Mortgage Bonds and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand; (ii) in connection with the offering contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company or its affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the several Underwriters with respect to any breach or alleged breach of agency or fiduciary duty.

SECTION 12. Representations and Indemnities to Survive Delivery. The respective indemnities, agreements, representations, warranties and other statements of the Company, of its officers and of the several Underwriters set forth in or made pursuant to this Agreement (i) will remain operative and in full force and effect, regardless of (A) any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter or the Company or any of the officers, directors, employees, agents or controlling persons referred to in Section 7(a) or Section 7(b) hereof, as the case may be or (B) acceptance of the Mortgage Bonds and payment for them hereunder and (ii) will survive delivery of and payment for the Mortgage Bonds sold hereunder and any termination of this Agreement.

SECTION 15. Partial Unenforceability. The invalidity or unenforceability of any Section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other Section, paragraph or provision hereof. If any Section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes) as are necessary to make it valid and enforceable.

SECTION 16. Governing Law Provisions. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED IN THAT STATE.

SECTION 17. General Provisions. This Agreement constitutes the entire agreement of the parties to this Agreement and supersedes all prior written or oral and all contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof. This Agreement may be executed in two or more counterparts, each one of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal E-SIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid

and effective for all purposes. This Agreement may not be amended or modified unless in writing by all of the parties hereto, and no condition herein (express or implied) may be waived unless waived in writing by each party whom the condition is meant to benefit. The Section headings herein are for the convenience of the parties only and shall not affect the construction or interpretation of this Agreement.

Each of the parties hereto acknowledges that it is a sophisticated business person who was adequately represented by counsel during negotiations regarding the provisions hereof, including, without limitation, the indemnification provisions of Section 7 hereof and the contribution provisions of Section 8 hereof, and is fully informed regarding such provisions. Each of the parties hereto further acknowledges that the provisions of Section 7 and Section 8 hereof fairly allocate the risks in light of the ability of the parties to investigate the Company, its affairs and its business in order to assure that adequate disclosure has been made in the Registration Statement, the Disclosure Package and the Prospectus (and any amendments and supplements thereto), as required by the Securities Act and the Exchange Act.

SECTION 18. Recognition of U.S. Special Resolution Regimes. In the event that (a) any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States and (b) any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States. For purposes of this Section 18, (i) a “BHC Act Affiliate” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k), (ii) “Covered Entity” means (A) a “covered entity” (as defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b)), (B) a “covered bank” (as defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b)) or (C) a “covered FSI” (as defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b)), (iii) “Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable, and (iv) “U.S. Special Resolution Regime” means each of (A) the Federal Deposit Insurance Act and the regulations thereunder and (B) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations thereunder.

(a) The Registration Statement has become effective under the Securities Act; each of the Preliminary Prospectus and the Prospectus has been filed pursuant to Rule 424(b) in accordance with Rule 424(b); the Final Term Sheet has been filed pursuant to Rule 433 in accordance with Rule 433; and, to our knowledge, no stop order suspending the effectiveness of the Registration Statement is in effect nor are any proceedings for such purpose pending before or threatened by the Commission.

(b) (i) The Registration Statement (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom and other than the documents incorporated by reference therein, as to none of which we express any opinion pursuant to this paragraph (b)), as of the date of the Underwriting Agreement, (ii) the Preliminary Prospectus (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom and other than the documents incorporated by reference therein, as to none of which we express any opinion pursuant to this paragraph (b)), at the Initial Sale Time, and (iii) the Prospectus (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom and other than the documents incorporated by reference therein, as to none of which we express any opinion pursuant to this paragraph (b)), as of the date of the Prospectus Supplement and as of the date hereof, appear on their face to have complied as to form in all material respects with the requirements of the Trust Indenture Act of 1939, as amended (the "**Trust Indenture Act**"), the Securities Act and the rules and regulations of the Commission promulgated thereunder.

(c) Each document incorporated by reference in the Preliminary Prospectus and the Prospectus (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom, as to which we express no opinion), at the respective time such document was filed with the Commission, appeared on its face to have complied as to form in all material respects with the applicable requirements of the Exchange Act and the rules and regulations of the Commission promulgated thereunder.

(d) The Mortgage Indenture has been duly qualified under the Trust Indenture Act.

(e) The execution, delivery and performance by the Company of the Underwriting Agreement, the Mortgage Indenture and the Mortgage Bonds and the consummation by the Company of the transactions contemplated thereby (including the issuance and sale of the Mortgage Bonds and the use of the proceeds from the sale of the Mortgage Bonds as described in the Disclosure Package (as defined in Annex A hereto) and in the Prospectus under the caption "Use of Proceeds") and compliance by the Company with its obligations under the Underwriting Agreement, the Mortgage Indenture and the Mortgage Bonds do not and will not violate any provision of Applicable Laws. As used in this paragraph (e) and paragraph (f) below, the term "**Applicable Laws**" means the laws of the State of New York and the federal laws of the United States of America (including the Federal Power Act) that, in our experience and without independent investigation, are normally applicable to transactions of the type contemplated by the Underwriting Agreement and the Mortgage Indenture (provided that the term "Applicable Laws" shall not include federal or state securities or blue sky laws, including, without limitation, the Securities Act, the Exchange Act, the Trust Indenture Act and the Investment Company Act of 1940, as amended (the "**Investment Company Act**"), and the respective rules and regulations thereunder).

(f) No consent, approval, qualification, authorization, certificate or order of, or registration or filing with, any court or other governmental commission or regulatory authority or agency is required under Applicable Laws for the execution and delivery by the Company of, or the performance of the Company's obligations under, the Underwriting Agreement or the Mortgage Indenture, or for the issue and sale of the Mortgage Bonds as contemplated therein..

(g) The statements set forth in the Disclosure Package and the Prospectus under the captions "Description of General Mortgage Bonds" and "Description of the Bonds" (insofar as such statements purport to summarize certain provisions of the Mortgage Bonds and the Mortgage Indenture) fairly, accurately and completely summarize in all material respects the matters therein described.

(h) The statements set forth in the Disclosure Package and the Prospectus under the captions "Plan of Distribution" and "Underwriting" (insofar as such statements purport to summarize certain provisions of the Underwriting Agreement) fairly, accurately and completely summarize in all material respects the matters therein described.

(i) The statements set forth in the Disclosure Package and the Prospectus under the caption "Material U.S. Federal Income Tax Considerations," insofar as they purport to constitute summaries of matters of United States federal income tax law, constitute accurate and complete summaries, in all material respects, subject to the qualifications set forth therein.

(j) The Company is not, and will not be after giving effect to the offer and sale of the Mortgage Bonds and application of the proceeds therefrom as described in the Prospectus, required to register as an "investment company," as such term is defined in the Investment Company Act.

(k) No facts came to the attention of such counsel that gave such counsel reason to believe that (i) any part of the Registration Statement, as of the date of the Underwriting Agreement, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) the Disclosure Package, as of the Initial Sale Time, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading or (iii) the Prospectus contained, as of the date of the Underwriting Agreement, or contains, on the date hereof, an untrue statement of a material fact or omitted, as of the date of the Underwriting Agreement, or omits, on the date hereof, to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that in each case such counsel may express no opinion or belief with respect to the financial statements, financial data, statistical data and supporting schedules included or incorporated or deemed to be incorporated by reference therein or omitted therefrom.

DISCLOSURE PACKAGE

1. The Preliminary Prospectus.
2. The Final Term Sheet.

For purposes of determining the “Disclosure Package,” the information contained in the foregoing documents shall be considered together.

Form of Opinion of Heather A. Humphrey, Senior Vice President, General Counsel and Corporate Secretary

(a) The Company is a validly organized and existing corporation in good standing under the laws of the State of Missouri and is duly qualified as a foreign corporation to do business in the State of Kansas with corporate power and authority to own, lease and operate its properties and to conduct its business as set forth in the Disclosure Package and the Prospectus and to enter into and perform its obligations under the Underwriting Agreement.

(b) The Underwriting Agreement has been duly authorized, executed and delivered by the Company.

(c) The Mortgage Indenture is in due and proper form, has been duly and validly authorized by all necessary corporate action, has been duly and validly executed and delivered, and is a valid instrument legally binding on the Company enforceable in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting enforcement of mortgagees' or other creditors' rights generally and by the effect of general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law); *provided*, however, that certain remedial provisions of the Mortgage Indenture may not be enforceable, but such unenforceability will not render the Mortgage Indenture invalid as a whole or affect the judicial enforcement of (i) the obligation of the Company to repay the principal of the Mortgage Bonds, together with the interest and any premium thereon, as provided in the Mortgage Bonds, (ii) the acceleration of the obligation of the Company to repay such principal, together with such interest and premium, based upon a material default by the Company in the payment of such principal, interest or premium or (iii) the right of the Trustee to exercise its right to foreclose under the Mortgage Indenture.

(d) The Mortgage Bonds are in due and proper form; the issue and sale of the Mortgage Bonds by the Company in accordance with the terms of the Underwriting Agreement have been duly and validly approved by the necessary corporate action of the Company; the Mortgage Bonds have been duly authorized, executed and delivered by the Company and, when authenticated by the Trustee in accordance with the terms of the Mortgage Indenture and delivered against payment therefor pursuant to the terms of the Underwriting Agreement, will constitute legal, valid and binding obligations of the Company enforceable in accordance with their terms, secured by the lien of and entitled to the benefits provided by the Mortgage Indenture, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting enforcement of mortgagees' or other creditors' rights generally and by the effect of general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

(e) Except as to property acquired subsequent to the execution and delivery of the Supplemental Indenture, the Company has good and sufficient title to, or a satisfactory easement in, the Mortgaged Property (as such term is defined in the Mortgage Indenture) (except such property as may have been disposed of or released from the lien of the Mortgage Indenture in accordance with the terms thereof), subject only to (i) the lien of the Mortgage Indenture,

(ii) exceptions and reservations specifically set forth therein, (iii) Permissible Encumbrances (as such term is defined in the Mortgage Indenture), (iv) leases and minor liens of judgments not prior to the lien of the Mortgage Indenture that, in my opinion, do not interfere with the Company's business, (v) defects, irregularities and deficiencies in titles of properties and rights-of-way that, in my opinion, do not materially impair the use of such property and rights-of-way for the purposes for which they are held by the Company and (vi) matters specified in the Disclosure Package and the Prospectus under "Description of General Mortgage Bonds—Security and Priority;" the description in the Mortgage Indenture of such property is adequate to constitute the mortgage lien thereon; the Mortgage Indenture, subject only to the qualifications set forth in this paragraph (e) and to such other matters as do not materially affect the security for the Mortgage Bonds, constitutes a valid, direct first mortgage lien on the Mortgaged Property, which includes substantially all of the fixed property of the Company, and the franchises and permits of the Company pertaining to the operation of such property; all property (to the extent such property constitutes Mortgaged Property) acquired by the Company after the execution and delivery of the Supplemental Indenture will, upon such acquisition, become subject to the lien of the Mortgage Indenture to the extent provided therein, subject, however, to Permissible Encumbrances, to liens, if any, existing or placed thereon at the time of the acquisition thereof by the Company and to any rights or equities of others attaching under applicable local law in the absence of notice of the lien of the Mortgage Indenture by filing, recordation or otherwise.

(f) The Mortgage Indenture has been duly filed for recordation and otherwise filed, indexed or cross-indexed in such manner and in such places as is required by law in order to give constructive notice of, and establish, preserve and protect, the lien of the Mortgage Indenture on the Mortgaged Property, and all taxes payable to any state or subdivision thereof in connection with the execution, delivery or recordation of the Mortgage Indenture or the execution, authentication, issuance and delivery of the Mortgage Bonds and outstanding mortgage bonds have been paid.

(g) The Subsidiary has been duly organized and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has the corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Disclosure Package and the Prospectus and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not result in a Material Adverse Change; except as otherwise disclosed in the Disclosure Package and the Prospectus, all of the issued and outstanding shares of capital stock of the Subsidiary have been duly authorized and validly issued, are fully paid and non-assessable and, to the best of such counsel's knowledge, such shares of capital stock are owned directly by the Company free and clear of any security interest, mortgage, pledge, lien, encumbrance or claim; and none of the outstanding shares of capital stock of the Subsidiary was issued in violation of preemptive or other similar rights of any securityholder of the Subsidiary.

(h) The order of the Missouri Public Service Commission authorizing the issuance of the Mortgage Bonds by the Company and the sale of the Mortgage Bonds as contemplated by the Underwriting Agreement has been duly entered and is still in force and effect, and no further consent, approval, qualification, authorization, certificate or order of, or registration or filing with, any court or other state or federal commission or regulatory authority or agency (other than (i) as may be required under securities or blue sky laws of the various states and (ii) as may have already been obtained or made and shall be in full force and effect on the date hereof) is necessary for the execution and delivery by the Company of, or the performance of the Company's obligations under, the Underwriting Agreement or the Mortgage Indenture or for the issue and sale of the Mortgage Bonds as contemplated therein.

(i) The Company and the Subsidiary hold, to the extent required, valid and subsisting franchises, licenses and permits authorizing them to carry on the regulated utility businesses in which they are engaged, in the territories from which substantially all of their consolidated gross operating revenue is derived, except where the failure to hold such franchises, licenses and permits would not reasonably be expected to result in a Material Adverse Change.

(j) To the best of such counsel's knowledge, there are no legal or governmental proceedings pending or threatened that are required to be disclosed in the Disclosure Package and the Prospectus, other than those disclosed therein, and all pending legal or governmental proceedings to which the Company or any of its subsidiaries is a party or of which any of their property is the subject that are not described in the Disclosure Package and the Prospectus, including ordinary routine litigation incidental to the business of the Company, are, considered in the aggregate, not material to the consolidated financial condition of the Company and its subsidiaries, taken as a whole.

(k) To the best of such counsel's knowledge, the Company is not in violation of its Amended and Restated Articles of Consolidation, as amended, or in default in the performance or observance of any material obligation, agreement, covenant or condition contained in any material Agreement or Instrument.

(l) The execution, delivery and performance of the Underwriting Agreement, the Mortgage Indenture and the Mortgage Bonds and the consummation of the transactions contemplated therein (including the issuance and sale of the Mortgage Bonds and the use of the proceeds received by the Company from the sale of the Mortgage Bonds as described in the Disclosure Package and in the Prospectus under the caption "Use of Proceeds") and compliance by the Company with its obligations under the Underwriting Agreement, the Mortgage Indenture and the Mortgage Bonds do not and will not conflict with or violate or constitute a breach of, or default under, or result in the creation or imposition of any lien, charge or encumbrance (other than the lien of the Mortgage Indenture) upon any property or assets of the Company or the Subsidiary pursuant to any material Agreement or Instrument or any law, any regulation or any administrative or court order or decree known to such counsel to be applicable to the Company of any court or governmental agency, authority or body or any arbitrator having jurisdiction over the Company; nor will such action result in any violation of the provisions of the Company's Amended and Restated Articles of Consolidation, as amended, or the Company's Amended and Restated By-Laws.

(m) To the best of such counsel's knowledge, there are no contracts, indentures, mortgages, loan agreements, notes, leases or other instruments or documents required to be described or referred to in the Disclosure Package or the Prospectus or to be filed as exhibits or incorporated by reference as exhibits to the Registration Statement other than those described or referred to therein or filed or incorporated by reference as exhibits to the Registration Statement, the descriptions thereof or references thereto are correct in all material respects, and no default exists in the due performance or observance of any material obligation, agreement, covenant or condition contained in any Agreement or Instrument described, referred to, filed or incorporated by reference therein.

In rendering such opinion, such counsel may state that such counsel expresses no opinion as to the laws of any jurisdiction other than the laws of the States of Missouri and Kansas and the federal laws of the United States of America.

WHEREAS, Section 15.01(c) of the Original Indenture provides that the Company and the Trustee may enter into an indenture supplemental to the Indenture to establish the form and other terms of such Mortgage Bonds consistent with the provisions of the Indenture; and

WHEREAS, all acts and things necessary to make this Supplemental Indenture, when duly executed and delivered, a valid, binding and legal instrument in accordance with its terms and for the purposes herein expressed, have been done and performed; and the execution and delivery of this Supplemental Indenture have been in all respects duly authorized;

NOW, THEREFORE, in consideration of the premises and in further consideration of the sum of One Dollar in lawful money of the United States of America paid to the Company by the Trustee at or before the execution and delivery of this Supplemental Indenture, the receipt whereof is hereby acknowledged, and of other good and valuable consideration, it is agreed by and between the Company and the Trustee as follows:

**DESCRIPTION OF CERTAIN PROPERTY SUBJECT TO THE LIEN OF THE
INDENTURE**

The Company, in order to secure the payment both of the principal of and interest and premium, if any, on the Mortgage Bonds from time to time issued under the Indenture, according to their tenor and effect, and the performance of all the provisions of the Indenture and of said Mortgage Bonds, has granted, bargained, sold, conveyed, assigned, transferred, mortgaged, pledged, set over and confirmed, and does by these presents grant, bargain, sell, convey, assign and transfer, mortgage, pledge, set over and confirm unto the Trustee, and to its successor or successors in said trust and its and their assigns forever, in trust, all of its right, title and interest in and to the property more particularly described in the Indenture, as supplemented by the Prior Supplemental Indentures, including, without limitation, the property described and incorporated into this Supplemental Indenture pursuant to this Article I, except as excepted or otherwise limited pursuant to this Article I, with all rights with respect thereto as the Trustee has been granted in connection with all Mortgaged Property under the Indenture, and together with all after-acquired property in accordance with the terms of the Indenture; TO HAVE AND TO HOLD all such properties, real, personal and mixed, granted, bargained, sold, released, conveyed, assigned, transferred, mortgaged, pledged, set over or confirmed by the Company as aforesaid, or intended so to be, unto the Trustee and its successors and assigns forever, subject however, as to all property embraced herein to all of the restrictions, exceptions and reservations of easements, rights of way or otherwise, contained in any and all deeds and/or other conveyances under or through which the Company acquired or shall acquire and/or claims or shall claim title thereto, and to the restrictions, exceptions, reservations and provisions in the Indenture specifically set forth; and subject further with respect to the premises, property, franchises and rights owned by the Company at the date of execution hereof, to Excepted Property or Permissible Encumbrances as defined in Section 1.03 of the Original Indenture, and subject, with respect to property acquired after the date of execution of the Original Indenture or hereafter acquired, to all excepted encumbrances, all other defects and limitations of title and to all other encumbrances existing at the time of such acquisition, including any purchase money mortgage or lien upon such property created by the Company at the time of the acquisition of such property; IN TRUST NEVERTHELESS, upon the terms and trusts in the Indenture and this Supplemental Indenture set forth, for the benefit and security of those who shall hold said Mortgage Bonds and coupons issued and to be issued under the Indenture, or any of them, in accordance with the terms of the Indenture without preference, priority or distinction as to lien of any of said Mortgage Bonds and coupons over any other thereof by reason of priority in the time of the issue or negotiation thereof or for any other reason whatsoever, subject, however, to the

provisions in reference to extended, transferred or pledged coupons and claims for interest in the Indenture set forth; it being intended that the lien and security of all of said Mortgage Bonds and coupons of all series issued or to be issued under the Indenture shall take effect from the execution and delivery of the Original Indenture, and that the lien and security of the Indenture shall take effect from the date of execution and delivery of the Original Indenture as though all of the said Mortgage Bonds of all series were actually authenticated and delivered and issued upon such date.

ARTICLE I.

5.40% MORTGAGE BONDS, SERIES 2024 DUE 2034

SECTION 1. (a) There is hereby created a twenty-fifth series of Mortgage Bonds to be issued under and secured by the Indenture, to be designated as “5.40% Mortgage Bonds, Series 2024 due 2034” of the Company (the “Bonds of the Twenty-fifth Series”).

(b) The Bonds of the Twenty-fifth Series may be issued without limitation as to aggregate principal amount except as provided in the Indenture and this Supplemental Indenture. The Bonds of the Twenty-fifth Series shall be initially issued in the aggregate principal amount of \$300,000,000; provided that the Company may, at any time, without the consent of the Bondholders of the Outstanding Bonds of the Twenty-fifth Series, issue additional Bonds of the Twenty-fifth Series ranking equally and ratably with, and having the same interest rate, maturity and other terms (except for the price to the public, the issue date and the first interest payment date, as applicable) as, the Bonds of the Twenty-fifth Series. Any additional Bonds, together with the Bonds of the Twenty-fifth Series initially issued, will constitute a single series of general mortgage bonds under the Indenture; provided that if any such additional Bonds are not fungible for U.S. federal income tax purposes with the Bonds of the Twenty-fifth Series, such additional Bonds will be issued under a separate CUSIP number.

(c) The Bonds of the Twenty-fifth Series shall be registered Bonds without coupons and shall be dated as described in Section 2.03 of the Indenture except that the Bonds of the Twenty-fifth Series initially issued shall be dated April 5, 2024. All Bonds of the Twenty-fifth Series shall mature on April 1, 2034 (the “Maturity Date”), subject to prior redemption pursuant to Section 2 of this Article I.

(d) All Bonds of the Twenty-fifth Series shall be issued initially in the form of one or more global bonds (each such global bond, a “Global Bond”) to or on behalf of The Depository Trust Company (“DTC”), as depository therefor (in such capacity, the “Depository”), and registered in the name of the Depository or its nominee.

(e) The principal and interest on the Bonds of the Twenty-fifth Series shall be payable in lawful money of the United States of America. The place where such principal shall be payable shall be at the principal office of the Trustee in Kansas City, Missouri (or at the principal office of any successor in trust). The place where interest shall be payable shall be the principal office of the Trustee in Kansas City, Missouri (or at the principal office of any successor in trust), or by check mailed to the Registered Holders of the Bonds of the Twenty-fifth Series. Notwithstanding the foregoing, with respect to Bonds of the Twenty-fifth Series in the form of one or more Global Bonds registered in the name of DTC or its nominee, the Company may make payments of principal of, redemption price of, and interest on such Global Bond pursuant to and in accordance with such arrangements as are agreed upon by the Company and the Depository.

(f) The Bonds of the Twenty-fifth Series shall bear interest at the rate of 5.40% per annum from the date of issuance or from the most recent interest payment date to which interest has been paid or provided for, payable semi-annually in arrears on April 1 and October 1 of each year, beginning on October 1, 2024, to the persons in whose names the Bonds of the Twenty-fifth Series are registered at the close of business on the record date for such interest payment date, which will be the close of business on (i) the Business Day immediately preceding such interest payment date so long as all of the Bonds of the Twenty-fifth Series remain in book-entry only form or (ii) the 15th calendar day immediately preceding each interest payment date if any of the Bonds of the Twenty-fifth Series do not remain in book-entry only form, whether or not such day is a Business Day. The term “Business Day” means, with respect to the Bonds of the Twenty-fifth Series, any day other than a day on which banking institutions in New York, New York are authorized or required by law to close.

(g) The Company shall have no obligation to redeem or purchase any Bonds of the Twenty-fifth Series pursuant to any sinking fund or analogous requirement or upon the happening of a specified event or at the option of a holder of any Bonds of the Twenty-fifth Series.

(h) The Bonds of the Twenty-fifth Series shall be subject to redemption as set forth in Section 2 of this Article I.

(i) So long as there is no existing default in the payment on the Bonds of the Twenty-fifth Series, the person in whose name any Bond of the Twenty-fifth Series is registered at the close of business on any record date with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date, notwithstanding any transfer or exchange of such Bond of the Twenty-fifth Series subsequent to the record date and on or prior to such interest payment date, except as and to the extent the Company shall default in the payment of the interest due on such interest payment date, in which case defaulted interest shall be paid to the person in whose name such Bond of the Twenty-fifth Series is registered on the date of payment of such defaulted interest.

As used in this Section 1, the term “default in the payment of interest” means failure to pay interest due on the applicable interest payment date disregarding any period of grace permitted by Section 12.02 of the Original Indenture, and the term “record date” with respect to each interest payment date is defined in Section 1(f) above.

SECTION 2. Except as described in Article IX of the Original Indenture and this Section 2, the Bonds of the Twenty-fifth Series may not be redeemed prior to the Maturity Date. Prior to January 1, 2034 (the “Par Call Date”), the Company shall have the right to redeem the Bonds of the Twenty-fifth Series at any time in whole, or from time to time in part, at its option, at the redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of:

(1)(a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Bonds of the Twenty-fifth Series matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate applicable to the Bonds of the Twenty-fifth Series plus 20 basis points less (b) interest accrued to the redemption date; and

(2) 100% of the principal amount of the Bonds of the Twenty-fifth Series to be redeemed,

plus, in either case, accrued and unpaid interest thereon to, but excluding, the redemption date.

Notwithstanding the foregoing, so long as there is no existing default in the payment on the Bonds of the Twenty-fifth Series, installments of interest on the Bonds of the Twenty-fifth Series that are due and payable on an interest payment date falling on or prior to a redemption date shall be payable on such interest payment date to the Registered Holders of the Bonds of the Twenty-fifth Series as of the close of business on the relevant record date according to the Bonds of the Twenty-fifth Series and the Indenture, except as and to the extent the Company shall default in the payment of the interest due on such interest payment date, in which case defaulted interest shall be paid to the person in whose name such Bond of the Twenty-fifth Series is registered on the date of payment of such defaulted interest.

On or after the Par Call Date, the Company shall have the right to redeem the Bonds of the Twenty-fifth Series at any time in whole, or from time to time in part, at its option, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued and unpaid interest thereon to, but excluding, the redemption date.

For purposes of this Section 2:

“Treasury Rate” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) - H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities - Treasury constant maturities - Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company shall select, as applicable:

- the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”);
- if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields - one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life - and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or

- if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this clause, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 TCM is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date. If there is no United States Treasury security maturing on the Par Call Date, but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date, or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Company's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

The Trustee shall have no obligation or duty whatsoever to determine, or to verify the Company's calculations of, the redemption price.

Except as hereinafter provided, notice of redemption of Bonds of the Twenty-fifth Series shall be mailed by or on behalf of the Company, postage prepaid, at least ten and not more than forty days prior to such date of redemption, to the registered owners of all Bonds of the Twenty-fifth Series to be so redeemed, at their respective addresses appearing upon the registry books. Any notice which is mailed as herein provided shall be conclusively presumed to have been properly and sufficiently given on the date of such mailing, whether or not the holder receives the notice. In any case, failure to give due notice by mail, or any defect in the notice, to the registered owners of any Bonds of the Twenty-fifth Series called for redemption as a whole or in part, shall not affect the validity of the proceedings for the redemption of any other Bond.

SECTION 3. Bonds of the Twenty-fifth Series shall be issued in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof and numbered consecutively from "R1" upward.

The form of the Bonds of the Twenty-fifth Series shall be substantially as follows (any of the provisions of such Bond may be set forth on the reverse side thereof):

(FORM OF BOND OF THE TWENTY-FIFTH SERIES)

For so long as this Global Bond is deposited with or on behalf of The Depository Trust Company, it shall bear the following legend:

This security is a global security within the meaning of the Indenture hereinafter referred to and is registered in the name of a depository or a nominee thereof. This security may not be exchanged in whole or in part for a security registered, and no transfer of this security in whole or in part may be registered, in the name of any person other than such depository or a nominee thereof, except in the limited circumstances described in the indenture or any supplement thereto.

Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to Evergy Metro, Inc. or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

The term "Business Day" means, with respect to this Bond of the Twenty-fifth Series, any day other than a day on which banking institutions in New York, New York are authorized or required by law to close. The principal of and any premium or interest on this Bond of the Twenty-fifth Series are payable in lawful money of the United States of America.

This Bond of the Twenty-fifth Series is one, of the series hereinafter specified, of the bonds of the Company (“Bonds”) known as its “Mortgage Bonds,” issued and to be issued in one or more series under and secured by a General Mortgage Indenture and Deed of Trust dated as of December 1, 1986 (“Indenture”), duly executed by the Company to UMB Bank, N.A. (formerly United Missouri Bank of Kansas City, N.A.), Trustee (“Trustee”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the property mortgaged and pledged, the nature and extent of the security, the terms and conditions upon which the Bonds are, and are to be, issued and secured, and the rights of the owners of the Bonds and of the Trustee in respect of such security, and the prior liens to which the security for the Bonds is junior; capitalized terms used in this Bond of the Twenty-fifth Series have the respective meanings set forth in the Indenture. As provided in the Indenture, the Bonds may be various principal sums, are issuable in series, may mature at different times, may bear interest at different rates and may otherwise vary as therein provided; and this Bond of the Twenty-fifth Series is one of a series entitled “5.40 % Mortgage Bonds, Series 2024 due 2034,” created by a Twenty-first Supplemental Indenture dated as of April 5, 2024, as provided for in the Indenture. With the consent of the holders of more than 50% in aggregate principal amount of the Outstanding Bonds, the Company and the Trustee may from time to time and at any time, enter into a Supplemental Indenture for the purpose of adding any provisions to or changing in any manner or eliminating any provision of the Indenture or of any Supplemental Indenture or of modifying in any manner the rights of the holders of the Bonds and any coupons; provided, however, that (i) no such Supplemental Indenture shall, without the consent of the holder of each Outstanding Bond affected thereby (A) extend the fixed maturity of any Bonds, change any terms of any sinking fund or analogous fund or conversion rights with respect to any Bonds, or reduce the rate or rates or extend the time of payment of interest thereon, or reduce the principal amount thereof, or, subject to certain exceptions, limit the right of a holder of Bonds to institute suit for the enforcement of payment of principal of or any premium or interest on such Bonds in accordance with the terms of said Bonds, or (B) reduce the aforesaid percentage of Bonds, the holders of which are required to consent to any such Supplemental Indenture, or (C) permit the creation by the Company of any Prior Lien, and (ii) no such action which would affect the rights of the holders of Bonds of only one series may be taken unless approved by the holders of more than 60% in aggregate principal amount of the Outstanding Bonds of such series affected, but if any such action would affect the Bonds of two or more series, the approval of such action on behalf of the holders of Bonds of such two or more series may be effected by holders of more than 60% in aggregate principal amount of the Outstanding Bonds of such two or more series, which need not include 60% in principal amount of Outstanding Bonds of each of such series; provided, however, that, in no event shall such action be effective unless approved by holders of more than 50% in aggregate principal amount of all the then Outstanding Bonds of all such series.

Prior to January 1, 2034 (the “Par Call Date”), the Company shall have the right to redeem the Bonds of the Twenty-fifth Series at any time in whole, or from time to time in part, at its option, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of: (1)(a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Bonds of the Twenty-fifth Series matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate applicable to the Bonds of the Twenty-fifth Series plus 20 basis points less (b) interest accrued to the redemption date; and (2) 100% of the principal amount of the Bonds of the Twenty-fifth Series to be redeemed, plus, in either case, accrued and unpaid interest thereon to, but excluding, the redemption date.

Notwithstanding the foregoing, so long as there is no existing default in the payment on the Bonds of the Twenty-fifth Series, installments of interest on the Bonds of the Twenty-fifth Series that are due and payable on an interest payment date falling on or prior to a redemption date shall be payable on such interest payment date to the Registered Holders of the Bonds of the Twenty-fifth Series as of the close of business on the relevant record date according to the Bonds of the Twenty-fifth Series and the Indenture, except as and to the extent the Company shall default in the payment of the interest due on such interest payment date, in which case defaulted interest shall be paid to the person in whose name such Bond of the Twenty-fifth Series is registered on the date of payment of such defaulted interest.

On or after the Par Call Date, the Company shall have the right to redeem the Bonds of the Twenty-fifth Series at any time in whole, or from time to time in part, at its option, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued and unpaid interest thereon to, but excluding, the redemption date.

For purposes of the third immediately preceding paragraph, the following term has the following meaning:

“Treasury Rate” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) - H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities - Treasury constant maturities - Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company shall select, as applicable:

- the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”);
- if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields - one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life - and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or

- if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this clause, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 TCM is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date. If there is no United States Treasury security maturing on the Par Call Date, but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date, or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Company's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

The Mortgage Trustee shall have no obligation or duty whatsoever to determine, or to verify the Company's calculations of, the redemption price.

Notice of redemption of Bonds of the Twenty-fifth Series shall be mailed by or on behalf of the Company, postage prepaid, at least ten and not more than forty days prior to such date of redemption, to the registered owners of all Bonds of the Twenty-fifth Series to be so redeemed, at their respective addresses appearing upon the registry books, as more fully provided in the Indenture and said Twenty-first Supplemental Indenture. Notice of redemption having been duly given, the Bonds of the Twenty-fifth Series called for redemption shall become due and payable upon the redemption date and, if the redemption price shall have been deposited with the Trustee, interest thereon shall cease to accrue on and after the redemption date, and whenever the redemption price thereof shall have been deposited with the Trustee and notice of redemption shall have been duly given or provision therefor made, such Bonds of the Twenty-fifth Series shall no longer be entitled to any lien or benefit of the Indenture.

In the event that this Bond of the Twenty-fifth Series shall not be presented for payment when the principal hereof becomes due, either at maturity or otherwise, and the Company shall have on deposit with the Trustee in trust for the purpose, on the date when this Bond of the Twenty-fifth Series is due, funds sufficient to pay the principal of this Bond of the Twenty-fifth Series, together with all interest due hereon to the date of maturity of this Bond of the Twenty-fifth Series, for the use and benefit of the Registered Owner hereof, then all liability of the Company to the Registered Holder of this Bond of the Twenty-fifth Series for the payment of the principal hereof and any premium or interest hereon shall forthwith cease, determine and be completely discharged and the right of such Registered Holder of this Bond of the Twenty-fifth Series for the payment of the principal hereof and any premium or interest hereon shall forthwith cease, determine and be completely discharged and such Registered Holder shall no longer be entitled to any lien or benefit of the Indenture.

In case an event of Default shall occur, the principal of this Bond of the Twenty-fifth Series may become or be declared due and payable in the manner, with the effect and subject to the conditions provided in the Indenture.

This Bond of the Twenty-fifth Series is transferable by the Registered Holder hereof in person or by an attorney duly authorized in writing, at the principal office of the Trustee in Kansas City, Missouri (or at the principal office of any successor in trust), upon surrender and cancellation of this Bond of the Twenty-fifth Series, and upon any such transfer a new registered Bond of the Twenty-fifth Series without coupons of the same series for the same principal amount will be issued to the transferee in exchange herefor and Bonds of this series may, at the option of the Registered Holder and upon surrender at said office of the Trustee (or any successor in trust), or at said office or agency of the Company, be exchanged for registered Bonds of this series of the same aggregate principal amount of other authorized denominations, all without service charge (except for any stamp tax or other governmental charge).

The Company and the Trustee may deem and treat the person in whose name this Bond of the Twenty-fifth Series is registered as the absolute owner hereof for the purpose of receiving payment and for all other purposes, and neither the Company nor the Trustee shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or any premium or interest on this Bond of the Twenty-fifth Series, or for any claim based hereon or otherwise in respect hereof or of the Indenture or any Supplemental Indenture, against any incorporator, stockholder, director or officer, past, present or future, of the Company or of any predecessor corporation, as such, either directly or through the Company or of any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability of incorporators, stockholders, directors and officers being waived and released by every owner hereof by the acceptance of this Bond of the Twenty-fifth Series and as part of the consideration for the issue hereof, and being likewise waived and released by the terms of the Indenture.

This Bond of the Twenty-fifth Series shall not be valid or become obligatory for any purpose unless and until the certificate of authentication hereon shall have been executed by the Trustee or its successor in trust under said Indenture.

IN WITNESS WHEREOF, EVERGY METRO, INC. has caused this Bond of the Twenty-fifth Series to be executed in its name by the manual or facsimile signature of its Chairman of the Board, Chief Executive Officer, President or a Vice President, and its corporate seal to be impressed or imprinted hereon and attested by the manual or facsimile signature of its Secretary or one of its Assistant Secretaries.

Re: Evergy Metro, Inc.
Registration Statement on Form S-3

Ladies and Gentlemen:

I have served as Senior Vice President, General Counsel and Corporate Secretary of Evergy Metro, Inc., a Missouri corporation (the "Company"), in connection with the issuance and sale by the Company of \$300,000,000 aggregate principal amount of 5.40% Mortgage Bonds, Series 2024 due 2034 (the "Bonds"), covered by the Registration Statement on Form S-3 (No. 333-259245-01) (the "Registration Statement") filed on September 1, 2021 by the Company with the Securities and Exchange Commission under the Securities Act of 1933, as amended.

The Bonds were issued under and secured by the General Mortgage and Deed of Trust, dated as of December 1, 1986 (the "Indenture"), between the Company and UMB Bank, N.A. (formerly United Missouri Bank of Kansas City, N.A.), as trustee (the "Trustee"). The Bonds were sold by the Company pursuant to the Underwriting Agreement, dated April 1, 2024, among the Company, MUFG Securities Americas Inc., PNC Capital Markets LLC, Regions Securities LLC and Truist Securities, Inc., as representatives of the several underwriters named therein.

In rendering the opinion expressed below, I have examined and relied upon a copy of the Registration Statement and the exhibits filed therewith. I am familiar with the Amended and Restated Articles of Consolidation and the Amended and Restated By-laws of the Company and the resolution of the Board of Directors of the Company relating to the Bonds. I have also examined originals, or copies of originals certified to my satisfaction, of such agreements, documents, certificates and statements of government officials and other instruments, and have examined such questions of law and have satisfied myself as to such matters of fact, as I have considered relevant and necessary as the basis for this opinion letter. I have assumed the authenticity of all documents submitted to me as originals, the genuineness of all signatures, the legal capacity of all persons and the conformity with the original documents of any copies thereof submitted to me for examination. I have also assumed that the Indenture is the valid and binding obligation of the Trustee.

Based on the foregoing, and subject to the qualifications and limitations hereinafter set forth, I am of the opinion that the Bonds are legally issued and constitute the valid and binding obligations of the Company enforceable in accordance with their terms, subject to bankruptcy, insolvency or other laws affecting enforcement of mortgagees' and other creditors' rights generally and general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

For purposes of this opinion letter, I have further assumed that the Bonds will be governed by the laws of the State of Missouri. I am licensed to practice law in the State of Missouri and the foregoing opinion is limited to the laws of the State of Missouri.

I hereby consent to the filing of this opinion letter as an exhibit to the Registration Statement and to all references to me included in or made a part of the Registration Statement.

Very truly yours,

/s/ Heather A. Humphrey
