

# 2022 IRP Update

*June 10, 2022*

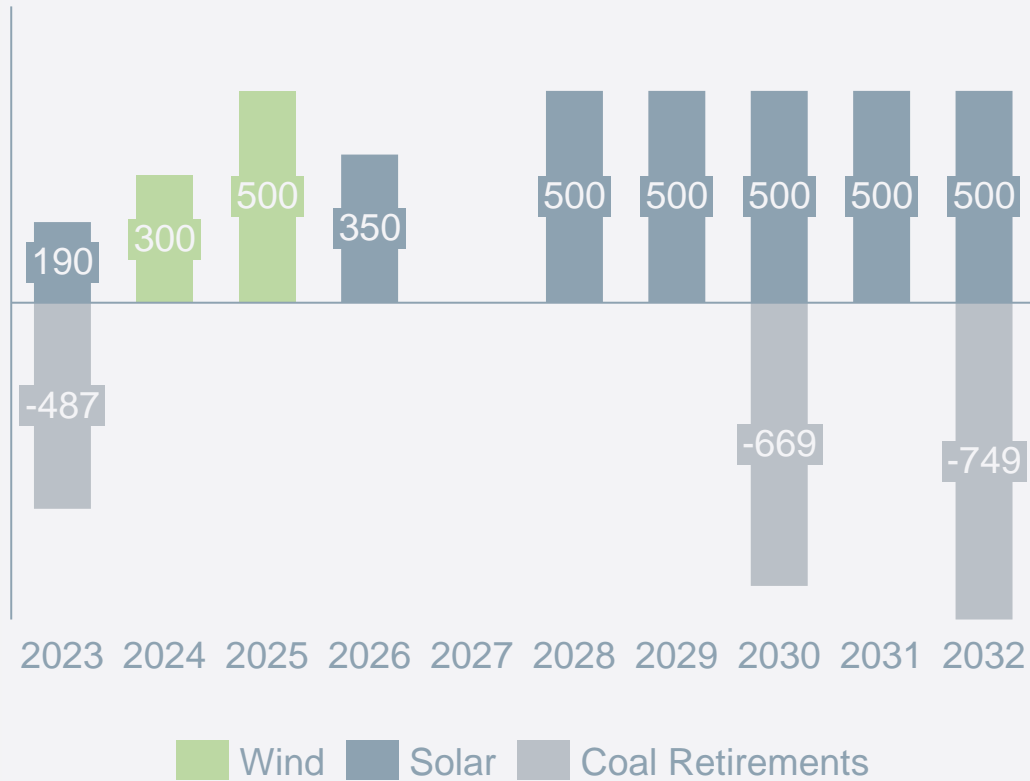

# 2021 Investor Day -vs- 2022 IRP Update

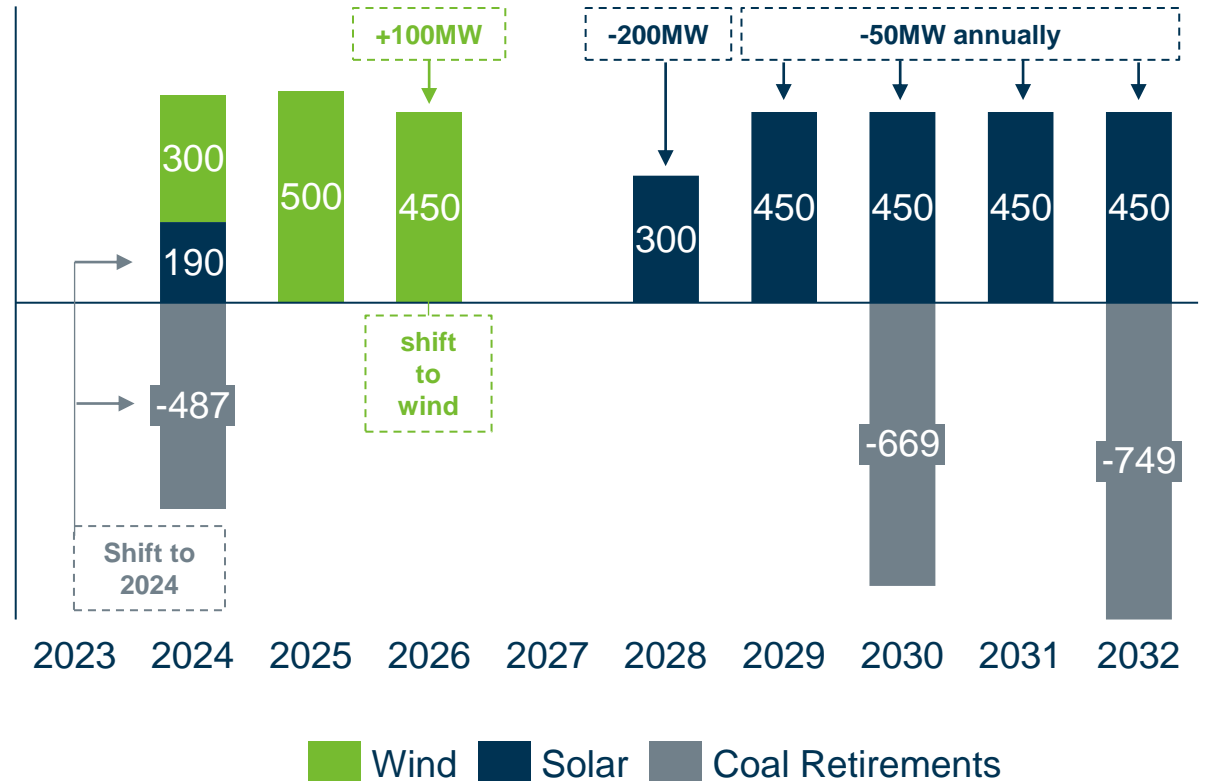

## INVESTOR DAY (September 2021)

Projected Additions & Retirements (MW)

## 2022 IRP UPDATE (June 2022)

Projected Additions & Retirements (MW)

**No changes from Investor Day for 2023–2025 MW; resequencing to wind in 2026; 2026–2030 capex plan consistent with Investor Day with slight reductions to capacity and changes to pricing. From 2023 to 2035 total renewable additions increase to 4,890 MW, from 3,840 MW.**
